Everyone has settled in to their new classes really quickly and it has been a lovely start to the term. Year 1 had a chance to use the play equipment and catch up with their friends. There was lots of chatting, swinging, pedalling, laughter and fun.

The Reception Class seemed to have loved their school dinners and very quickly learnt the routines. There have been lots of empty plates and smiling faces. Well done everyone.

Year 2 have settled down so quickly and are already doing some amazing work. Here they are hard at work.

Caterlink are our new school meals provider and we have a super new menu. The cost of school dinners is still £2.30 and all cheques should be made payable to 'Caterlink Ltd'. The Reception, Year 1 and Year 2 children have free milk, break-time fruit and lunch. If you think you are eligible for a 'free-school' meal please speak to Mrs Hale or Mrs Dunbar.

Our new school website is almost ready to go live. We will send you a text to let you know. All the information you need should be on the site along with a live calendar.

Years 1 to 6 had time to enjoy the story of 'The Book of Books' today. This is the story of how the Bible was written. Ask the children if they can remember any of the parts of the story.

Next week we will be sending out Data Collection Sheets. This is your opportunity to ensure we have correct information about your children and any contact details. These are held securely on our system. Please do ensure you return these promptly so we can update our records. Many thanks.

If you are interested in learning to play an instrument please speak to Mr Hill or Mrs Dunbar. Some of the Year 4 children may be interested in continuing with brass tuition?
