Dear Parents and Carers,

Your child has brought home their Data Collection sheet; please can you check all details thoroughly, then sign and return to school highlighting any changes required. **If there are no changes please still return to the school office.**

The school is launching their new website this week, which is up to date, fresh, exciting and full of information. The school is committed to improving communication with parents and in the near future will be launching a new parents' communication App. **To enable us to launch this App it is vitally important that all email and mobile phone contact details are up to date to be fully effective.**

The new website is an exciting way of delivering information to you; within it you will find newsletters, club information, details of the Before and After School Club, letters home and much more. The website is also a celebration of school life and a fantastic way of keeping you up to date with school activities. To enable us to keep the information interesting and informative we like to photograph the children to record activities, achievements, to share with you their school trips and sporting activities. To do this fully, we need to reconfirm the photographic permissions (please be aware that the newsletter is uploaded on to the website).

Please can you return the Data Collection sheet and the photographic permissions slip **no later than Friday 22nd September 2017.**

Yours faithfully,

Mrs Lotty Dunbar

School Secretary

Mrs Chris Hale

Finance Administrator
