Dear Parent/Guardian,

I'm sure you will agree that the Bishop Cornish Christmas Show was extraordinary. When filming the KS2 performance, I was stunned by the talent and enthusiasm shown by each and every student who either performed or was involved in the stage management tasks. After having worked on several performances at the Theatre Royal Plymouth and the Bristol Hippodrome, I can guarantee that these young people were on a par with the talents I worked with at those top professional theatres.

If you would like to watch the performance all over again, or if you weren't able to make it but would love to see it, then **Rallidae Productions** are offering you the opportunity to do just that. For a very reasonable cost, that is keeping it to just covering expenses of producing the DVDs or Digital Format Copies, you can own a copy of the performance and have lasting memories of the incredible talents of these Key Stage 2 students.

To order your copy, please fill in the information below and hand this - along with your payment - to the reception desk at Bishop Cornish CofE VA Primary School.

Yours sincerely,

Matt Coot
