12<sup>th</sup> June 2018

Dear Parents of Year 5 and 6,

As part of our Science curriculum Years 5 and 6 will, as usual, be undertaking a sex education programme during the next few weeks. This programme involves looking at making positive relationships, changes in our bodies, puberty, reproduction as part of a loving relationship, and living healthily, etc. As part of the programme children will see a film to accompany our topic focusing on growing up. Towards the end of term, the children will work in single sex groups, where they will have the opportunity to ask questions about the onset of puberty, hygiene, etc.

If you would like to watch the video that the children will see you are welcome to attend a viewing in the Year 5 classroom on Monday 25<sup>th</sup> June at 3.30-4.15pm.

Can we remind you that parents have the right to withdraw their child from taking part in the sex education programme. However, the school would need this request in writing.

Yours sincerely,

Ryan Hill  
Teacher Year 6

Claire Jones  
Teacher Year 5
