

Y3 Home learning

6-8th January 2021

Good morning Year3!

Here is your Home Learning for the rest of this week.

Maths

We're going to continue looking at fractions for the rest of this week. Below are daily lessons, work through them throughout the rest of the week.

The first lesson is all about quarters.

<https://www.bbc.co.uk/bitesize/articles/zrjjcmn>

Now try these:

Here you will be finding out about numerators and denominators!

<https://www.bbc.co.uk/bitesize/articles/z4pyp4j>

This lesson is about finding mixed numbers on a number line.

<https://www.bbc.co.uk/bitesize/articles/zfxw7nb>

English

Please read for 20 minutes, at least, each day.

For the rest of the week we are going to focus on some punctuation and grammar work.

We have attached some worksheets for you to work through. Maybe you could do one a day!

- Sentence Punctuation
- Use of capital letters (lots of you need to practise this!!)
- Exclamation marks.

RE

In the bible, God also made a covenant with Abraham. Remember a covenant is a promise. Watch the PowerPoint below to find out all about it.

https://www.bibleforchildren.org/PDFs/english/Gods_Promise_to_Abraham_English.pdf

See what art resources you have at home. Can you draw/paint/make a collage of a starry night sky.

Add the verse from the bible-

Genesis 15:5

‘ Look at the sky and try to count the stars. You will have as many descendants as that.’

I wonder if you can go for a night time walk with your family. Look up to the sky. Can you count the stars?!

Tasks to continue throughout the week –

- **Daily reading**
- **Times table practice.**
- **30 mins of exercise a day! Don’t forget to have a ‘break’ time!**
- **Tidy your bedrooms !!!!!!!!!!!!!!!**

Take care

Love from Mrs Edwards & Mrs Nile.
