

**Tuesday 24<sup>th</sup> March**

Good morning everyone - welcome once again. Did you all get those bedrooms tidy yesterday? Make sure you do not put anything in a safe place...just like Mrs. Jones. ☺

Some little jokes for today:

**What happened when the shark got famous?** *He became a starfish.*

**Why do sharks live in salt water?** *Because pepper water makes them sneeze.*

**Who gives sharks presents on Christmas?** *Santa Jaws.*

**Today's English -**

Try to finish off your recount planning for your trip to the Aquarium.

Look back to yesterday's newsletter for some more information on this. I have popped a PowerPoint onto the website too which may help you. Make sure you look back at our class trailer and this will help you to remember what we did.

**Maths**

We will continue using the vertical expanded method of partitioning today. Please look back at yesterday's newsletter to see the method. I would like to you log onto:

[www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)

Your username is your 1<sup>st</sup> initial and all of surname - e.g. fsmith

Password - yr2016

School code - bccj

You should see your home screen now. Today watch the pupil video adding 2 & 3 digit numbers using the expanded column addition. Then have a go at playing the bubble burst game - make sure you read the instructions first. There are bronze, silver and gold levels - choose your challenge.

If you would prefer to do something different - Mathletics - 'Add and subtract - review' - Complete some of the adding tasks to do as suggested on yesterday's newsletter.

Topic - please continue with what you started yesterday or choose another activity from the RE topic sheet.

Take care everyone and I'll write to you again tomorrow.

Mrs. Jones
