Judge not, and you will not be judged; condemn not, and you will not be condemned; forgive, and you will be forgiven.

Luke 6:37

This week's value: ***Forgiveness***

Dear parents and carers,

This week in Collective Worship we looked at the value of forgiveness. Matthew and Bella (Year 5) helped me to share a story about a boy who just couldn't forgive. The rest of the school then reflected on the times that they felt it was too difficult to forgive. We went on to think about and share our ideas about the importance of forgiving one another.

On Thursday the children in Key Stage 2 auditioned for parts in this year's school production of Joseph and His Amazing Technicolour Dream Coat. It was an absolute joy listening to the children sing. We are really looking forward to rehearsals and ultimately sharing the production with our parents and carers.

This Friday the children in Year 2 completed their Secret Agent Training and were rewarded by a trip to the aquarium, where they slept with the sharks.

We have enjoyed the sunshine and it has been lovely this week for the children to finally get on to the field to play. With that in mind, can you please remember to make sure that your child is wearing sunscreen to school as we will most definitely make the most of the gorgeous weather.

Before, I close I would just like to mention Aubree, Isabel and Lyla in Reception, who have brought me some beautifully written and drawn pictures. They have really brightened up my week. Thank you girls for being so thoughtful. 😊

I hope that you have a wonderful weekend.
Mrs Fletcher
