

Good Morning Year 4s – Wednesday- 13.5.20

Please keep sending us lots of pictures of your work – we love seeing what you are all up to! Photos or video clips can be sent to us at -

enquiries@bishop-cornish.cornwall.sch.uk

Maths

Today we would like you to log in to Active Learn. You have been allocated a game to revise your understanding of perimeter.

English

We're continuing to think about your favourite book and author. If you had written this book, would you have called it something else?

Have a go at re-designing the front cover. Think of a different name & have a go at illustrating your new front cover too!

Would your version of this story have the same ending? Have a go at re-writing the end of the book, what would you change?

Science

Today we would like you to have a go at making a string telephone!

Watch the PowerPoint to explore how sound changes over a distance and then have a go at the activity sheet, which shows you how to make a string telephone.

Have a great day!

Love from Mrs Nile & Mrs Edwards xx
