

**Spellings – The short ‘i’ sound spelt ‘y’.**

Sometime the letter y in a word (other than at the end) makes the short ‘i’ sound.

e.g. myth

Here are some words which use this rule. There is a wordsearch for you to complete to help you to learn how to spell these words.

Myth Egypt Gym Pyramid Mysterious System	Mysteriously Syllable Cymbals Cygnet Typical Lyric	RED words to learn this week: Different Disappear Early Earth Eight Exercise
If you have been given a different set of spellings (don't worry, you will know if you have), please learn these instead of the words above. 😊

The games which have been set previously for homework are still on the activelearn site set for you if you would like to play these.

Please complete the worksheet set this week. How much can you complete in 25 minutes?

Use mental maths strategies to solve the calculations. Remember to count on to the next ten and then to the 100.

For example:

$$36 + ? = 100$$

Put 36 in your head, count on 4 to make 40 and then 60 to get to the 100, so 46 in total.
