

Tuesday 12th May 6, 2020

Did you have a nice day yesterday? How did you celebrate? I hope you managed to have some fun!

We are thinking again about our letter formation today,

Continuing with the curly caterpillars, how did you get on writing c,a,d,g? Time for the rest today so it's q, e, s, f, o. Be careful with e as that one can be tricky to get right and make sure q has a pointy flick.

I have a math's challenge for you and the adults!

Who can say all numbers from 0-20 correctly? 1 point if you get them all right!

Trickier now can you write all numbers from 0-5? 1 point if you get them right!

Can you now write numbers 6-10? 1 point if all right!

11-15? Again 1 point!

And finally 16-20, get another point. How did you do? Maybe try this a few more times and see if you can get more points next time.

After that challenge lets cool off. If you have these ingredient at home try and make these <https://sallysbakingaddiction.com/3-ingredient-blueberry-yogurt-swirl-popsicles/>

They're yummy and healthy! You could even try and change the recipe and make it your own.

Have a good day.

Miss Edlin
