This week's value: ***Friendship***

Dear Parents and Carers,

It has been a busy time at Bishop Cornish. Last Friday the children in Year 2 had a school sleepover as a celebration of their Secret Agent Training. The children arrived back at school at 6pm to find a bouncy castle playground had been set up in the school hall. After lots of fun in the hall the children enjoyed a supper of fish and chips, one more bounce then settled down in their sleeping bags to watch a movie. Thank you to all the teachers that stayed over (between you and me, I think they had even more fun than the children!).

This week our value has been friendship. The children have looked at ways that they can be good friends both in and out of school.

Also, this week we held the auditions for the Key Stage 2 production of Aladdin. It was, as always, an absolute joy to listen to the children sing. We have such amazing talent at Bishop Cornish, we cannot wait to see the children perform the play.

On Tuesday after school, Sara Del Gaudio and Amy Feldwick from Saltash Community School held an information meeting at school for the parents and the children moving up next year. After listening to all the exciting things the children have to look forward to, the parents were able to ask questions. Thank you to Sara Del Gaudio and Amy Feldwick for coming into school and sharing such helpful information with the parents.

I wish you a lovely half-term break. We have lots happening in the upcoming last half-term at school, with school trips, sporting events and of course the production. So much to look forward to. 😊

Mrs Tracey Fletcher

This week in school we have...

This week in Year 4 we have been finishing writing our 'Charlie and the Chocolate Factory' stories. We spent some time writing the letter on the back of the Golden Ticket to finish our final piece, before taking the time to edit our work by correcting any punctuation and spelling mistakes.

Last week Year 2 had an amazing sleepover in school, complete with lots of bouncy castle fun! They have worked really hard this week on completing their secret agent tasks. They enjoyed finding out more about habitats and exploring more about Kenya. The children have also enjoyed their music session with Mrs Butlin.

This week in Reception Class we have been hunting down The Highway Rat, making wanted posters and offering a reward for a reward for his capture. We have also looked at all of the animals he met along his journey and how they live, what they eat and drawing portraits of them.

This week Year 1 have been gathering evidence to design Victorian seaside posters, finishing their stories, looking at the sharing and much more.

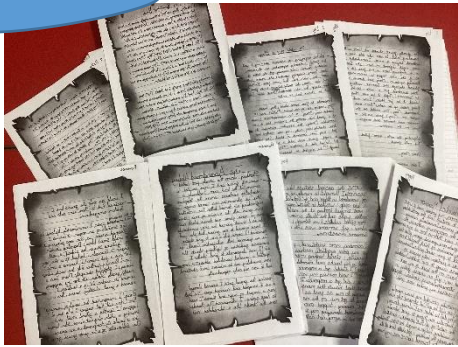

This week Year 3 have been working on their comic stories in Literacy and reading them to each other in the sunshine. They have also created sketches of St Michael's Mount in Art and learnt about how joints and muscles work in Science.

This week Year 5 have been amazing authors, writing stories inspired by the book 'Gorilla'. They have been putting all of their amazing writing techniques into action. As part of our topic 'Crime and Punishment', Year 5 have been discussing: 'Is graffiti art or crime?' They have also been trying out different styles of graffiti writing, shading and blending techniques.

Year 6 have been getting creative writing their own gothic stories. They have had lots of freedom to create their own story lines showcasing their grammar learning to the full effect. The imagery they created with the use of metaphors, similes, alliteration sibilance etc has been phenomenal and I must admit, I did feel a bit spooked at times. We may collate their stories to create a Year 6 compendium of spooky stories, watch this space! They have also had the opportunity to attend various sporting events with Mr Brown and I know they have thoroughly enjoyed representing our school. Well done Year 6.
