

Quarter past

When the long hand points to the number 3, it is quarter past the hour. Draw the long hand pointing to 3.

Then, draw the short hand pointing to just past 10.

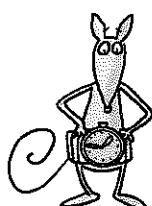

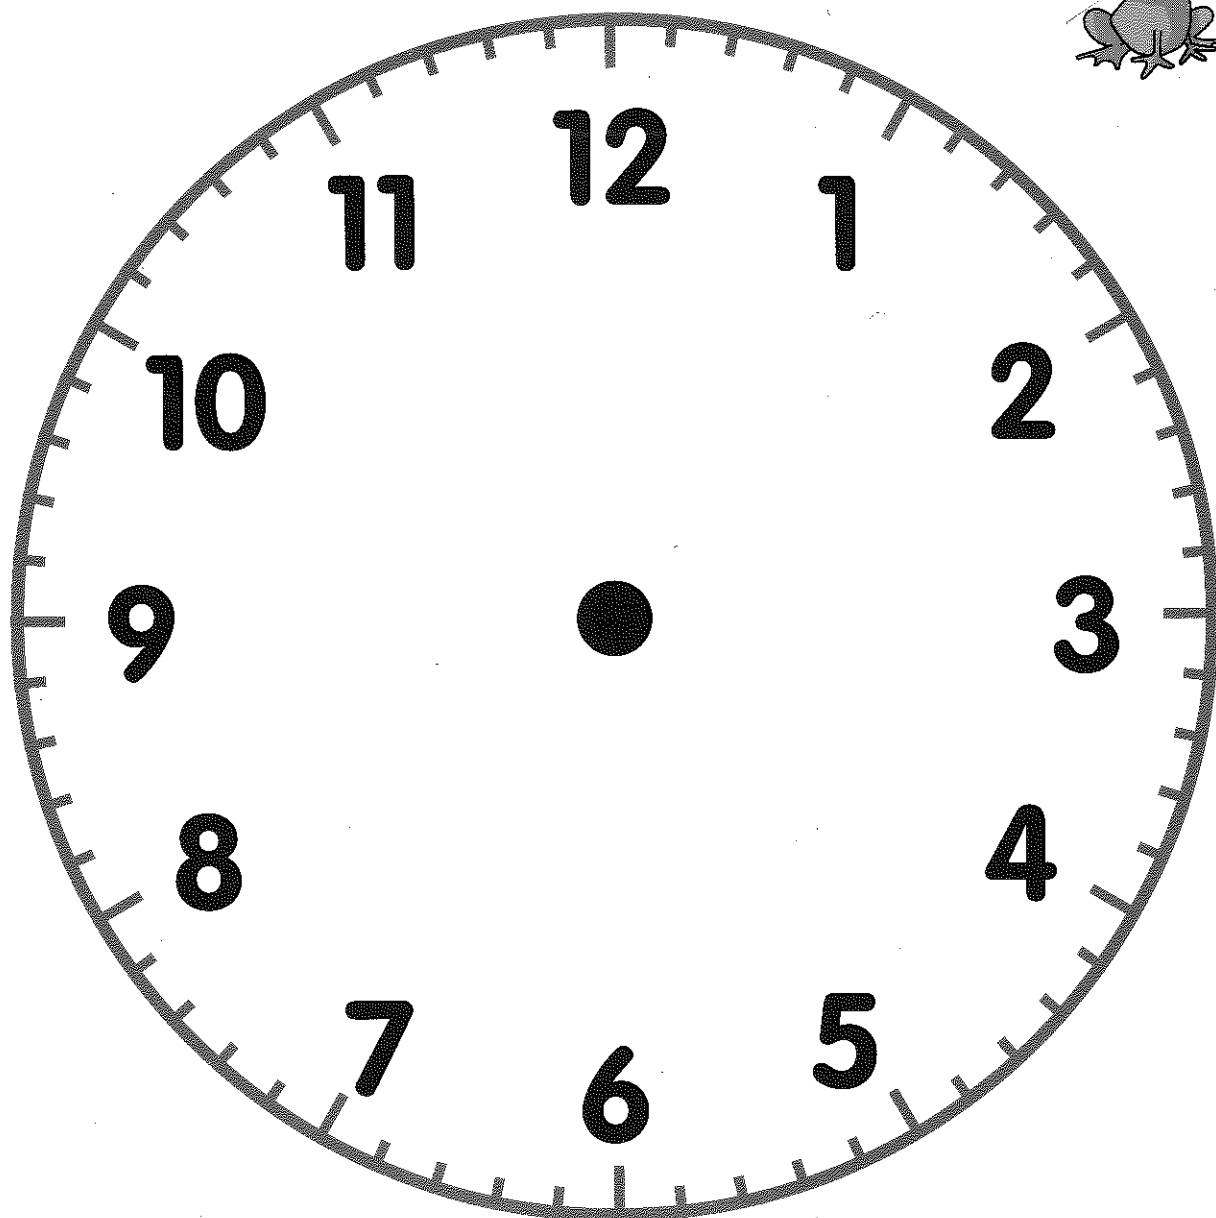

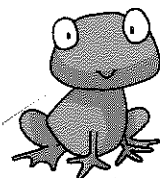

This shows that it is quarter past 10.

Reward
sticker!

Quarter to

When the long hand points to the number 9, it is quarter to the hour. Draw the long hand pointing to 9.
Then, draw the short hand pointing almost to 5.
This shows that it is quarter to 5.
