

Hello Year 4! – Monday 23.3.20

Here are some suggested activities for you to try.

1)English

Find a Myth or Legend online and read it with your parents. Discuss what has happened, who or what is the mythical creature? Can you draw a picture of the creature and write some adjectives (describing words) around it?

2) Topic.

Choose one of the activities off the homework grid.

These are stuck in their home learning books but I have also attached one to this email.

Hope you are enjoying this wonderful sunshine!

Take Care

Mrs Nile & Mrs Edwards
