

Hi my eastery Year 1's

I'm sure by now you have got into a super routine at home. Today is the last day that I will be sending you work for a couple of weeks. Even though you will be at home there are lots of fun things you can do together like have an indoor picnic or make an indoor den with sheets and chairs.

Don't forget to do your reading today. In your homework books was a list of red words. Have a look at them, how many can you read and/or spell? Just do a few a day.

Phonics time - Don't forget the Ruth Miskin daily programmes!

Today can you recap the phonics we have done so far this week. You may even like to make up some alien words with the sounds.

Literacy - Can you write the inside for your Easter card today and stick it in?

In maths we will be counting and also going back over what is in a 2 digit number. Could you.....

- play hide and seek today with a grown up and count in 1's, 5's or 10's when you are going to go and find them.
- choose a number from the 100 square then write down one more and one less either side. Make sure those numbers are the right way around!!!!

This afternoon we were going to have an Easter egg hunt. Can you find those eggs you made on Monday. Go and hide them inside or outside and then get a grownup to go on a hunt. Maybe you could use a teddy as the hidden treasure.

Have a great day and a lovely holiday, I will be back in touch soon !!

Love

Mrs.Oakes
