Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

'Always be thankful'

1 Thessalonians 5.16

This week's value is: *Thankfulness*

Dear parents and carers,

Welcome back to the start of the summer term. I hope that you all had a wonderful Easter.

The children have come back into school full of the joys of spring and ready to get back into their school work.

This week our value has been thankfulness, where we have thought about all that we are grateful for.

We finally received our Ofsted report yesterday, which has been sent out to you. We believe that the inspector had an accurate view of our school and understood what makes Bishop Cornish such a special place to be part of. A huge thank you to the children, staff, governors and yourselves.

Tomorrow is our second ground force day in school, where we hope to prepare the grounds and animal enclosures for the next few months. It would be great to see you here.

Have a lovely bank holiday weekend.

Mrs Fletcher

Governor Vacancy

We have a vacancy for a Parent Governor. If you would like to join the Governing Body and would like more information, please contact Chris Hale, Clerk to the Governors by email: clerk@bishop-cornish.cornwall.sch.uk Being a governor can be a rewarding experience. Governors help shape the strategic vision of the school whilst supporting the headteacher and staff. If you would like to make a difference to the children of Bishop Cornish, please express an interest to the Clerk.

Achievement Awards

Rosina in Reception, deserves the achievement award this week. She has been amazing with her reading and has shown how determined she is to do well. Well done Rosina, we are very proud.

Alfie in Year 1, has been really good in the playground this week. He has played some super imaginative games and has been a great friend. Alfie we are really proud of your calm, kind and caring attitude.

Jack in Year 2, who has shown plenty of enthusiasm for our new topic, Africa. He has shared many amazing animal facts and produced some interesting, descriptive writing in English. Well done Jack!

Vinnie in Year 3, for his amazing contributions on the school trip. He was highly engaged and using great scientific thinking when discussing the structures of the bridge!

Finley in Year 4, for his confidence in working with decimals.

Lucas in Year 5, for his perseverance with decimals, he has gone from strength to strength and is now much more confident. Well done Lucas.

Lewis in Year 6 has been working really hard with his writing this week, producing some amazing poetry. He has been really proud of his work, which is wonderful to see. Excellent effort - keep it up! 😊

Value Awards

Jeremy in Reception, is an excellent example of someone who shows thankfulness. He is full of gratitude to everyone, always uses his manners and has a super attitude. We are very thankful for him! Keep it up Jeremy.

Lowenna in Year 1, is always thankful at school. She also showed particular thankfulness when she was talking about seeing the Grand Mosque on her wonderful holiday. She had so many things to share with us and was so thankful for her experience.

Filoumeni in Year 2, who shows thankfulness and respect to her friends as well as lovely polite manners to her teachers.

Kyla in Year 3, is a very naturally thankful child within school and this is a wonderful quality to have.

Miley in Year 4, for always showing good manners and always being helpful.

Matthew in Year 5, shows consistently good manners and is always thankful. He is an excellent role model in both behaviour and work ethic and his smiley demeanour makes us all thankful to have him in the classroom.

Poppy E in Year 6, who without fail, shows her gratitude after receiving any kind of support, offering a heart-felt 'Thank you!' and a beaming smile. What more could anyone ask in return?! Such a positive, well-mannered, 'thankful' person. Well-done Poppy. 😊

Sports Report

East Cornwall Year 4 Football Final

Well done to our Year 4 Football team who finished an impressive 2nd in the above tournament, held in Wadebridge on Wednesday night. The team played really well in all their 5 matches. Player of the Tournament, voted for by the children, was Jacob Stephens. Well done to all those involved.

This week in school and at home

This week in Year 5 the children have been working in groups to create their own Cornish myth. The children have worked together to create storyboards, play scripts, act their myth out and create a video. They have also started their Re topic of Islam, dabbled with decimals and looked at the life cycle of a flower.

This week Reception class have been learning about the story of Zog. They made their own fire breathing dragons and created a star to give to a friend with a special reason such as being their best friend, being great at sharing or making them laugh.

This week Year 2 have been excited to start learning about our new topic Africa! They have been fact finding and describing African animals in English as well as creating some amazing animal art work.

This week in Year 3 the children have walked to the Tamar Bridge office and learned some fascinating facts about the bridges in preparation for creating some leaflets with the information they found.

In Year 1 this week we have been going pirate mad. We have made ourselves into pirates and then written about what we would be like. In RE we have been exploring different places of worship and William made this amazing temple. We have played cricket, programmed beebots and designed our very own flags!

The children in Year 4 have been working through decimals in Maths, discussing why we have rules and preparing for going swimming on Friday. In English we've been composing poems about Sunflowers.

Year 6 have been writing some powerful, non-rhyming narrative poetry linking to the Battle of the Bulge; revising some core maths skills; finishing off our WWII topic and thinking about, and discussing, mental health.
