Dear Parents and Carers

WELCOME TO OUR NEW RECEPTION PUPILS

We live in unusual times and normally we would be writing to say thank you for choosing Bishop Cornish as your child's school and that we are very much looking forward to working in partnership with you over the coming years. We always want to ensure that any child has a happy and successful start to their school life and that they go on to fulfil their ambitions and reach their potential. Our school has a strong focus on providing every child with the experiences, skills and opportunities that we hope reflect their uniqueness and their individual interests and needs.

The difference this year is that our Induction process, the time when we meet you all and share how our school works and how we are going to welcome the children into school, easing that transition from Pre-school or home to school, is still unknown.

Normally we would hold an Induction Evening in mid-May when you would meet Miss Edlin, the class teacher, Ms Wilmot, the Reception class teaching assistant, our administrative team and myself. We would tell you more about our school, the curriculum and how the school day is organised followed by a look around the school and in particular the Reception classroom. Obviously under the current conditions this cannot happen.

Therefore, until we have some more information regarding when the school will reopen, we would like to express our thanks for choosing us and our excitement about working with you in the future. We will keep in close contact over the coming weeks and, as things change, we will be able to start arranging meetings and visits.

With very best wishes

Yours sincerely

Mrs Sue Green
Headteacher
