Phone: 01752 845463

Headteacher: Mrs Tracey Fletcher

Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

“Each one should use whatever gift he has received to serve others, faithfully administering God’s grace in its various forms.”

1 Peter 4:10

This week’s value is: *Service*

Dear parents and carers,

I trust that you had a lovely half-term break. It was wonderful to see all the happy smiling faces of the children returning to school on Monday. The children were eager to share all that they had done through the break. It sounded like many of you had a busy time!

Our value this week has been service where the children have explored how they can use their talents, interests and likes to serve others.

As I am sure many of you know, our Year 5 class and their teachers went to Hea Tree this week for their residential trip. The children and teachers have had a wonderful time. We are very much looking forward to welcoming them back to school this afternoon.

Well done to Savannah and Aradya for their successful fundraising event today.

Next Tuesday is our Confirmation service at St Stephens Church. We also look forward to warmly welcoming Bishop Philip to school for the afternoon.

On Wednesday Ripple Energy will be coming into school to speak about wind farms and work with the children in Year 3 to create a time capsule about their hopes and dreams for a more sustainable future.

Have a lovely weekend.

Mrs Fletcher

Dates for your diary

Tuesday 14th June

Confirmation Service – 11am
St. Stephen’s Church

Achievement Awards

Darcie in Reception Class for her amazing writing. She carefully sounded out and labelled different body parts. Well done Darcie .

Dexter in Year 1 was amazing with his phonics skills this week and has been able to use them in both his reading and writing. Dexter is always kind and works hard at everything he is asked to do. Well done Dexter!

Logan in Year 2 who has adapted perfectly to joining Year 2 and approaches all tasks with enthusiasm and perseverance. Well done Logan you are doing an amazing job!

Summer in Year 3 for her continued hard work and enthusiasm for learning.

Jacob S in Year 4 for working really hard on his play script writing. Well done Jacob!

Poppy E has been practising her 6 times tables during the holiday, and has achieved success! Well done! 😊

Value Awards

Oscar in Reception Class always provides the service of making us laugh. He has been very animated telling his class all about different animals and sharing his animal book! Thank you Oscar.

Thomas in Year 1 always gives to others and helps everyone he comes across. He is kind and caring and always acts exactly as God would want him to.

Zara in Year 2 who goes out of her way to help others and be a super Year 2 role model. Well done Zara.

Harriet in Year 3 for having gifts of determination, enthusiasm and politeness and consideration toward others.

Poppy in Year 4 for everything she does to represent our school so well.

Jack in Year 6 has achieved many Dojo points over the last few weeks, as he is always so helpful and serving others; in particular, noticing when something hasn't been done, and doing it. Such a great help! Well done! 😊

Sports Report

Cornwall School Games Qualifier for Tennis and Cricket

Well done to all the children who represented the school so well at Launceston College on Wednesday. Our Boys Cricket team played superbly all day to become East Cornwall Champions, our Year 3/4 Tennis team came 2nd, thus qualifying for the Cornwall School Games Final, the Year 5/6 Tennis Team also came 2nd and the Girls Cricket Team came 3rd. With all the qualifying competitions over, it means we have qualified for the CSG Finals in: Touch Rugby, Tri Golf, Year 3/4 Quad Kids Athletics, Year 5/6 Quad Kids Athletics, Boys Cricket, Year 3/4 Tennis and Year 5/6 Tennis, meaning we will be taking an incredible 52 KS2 children to St Austell on Friday 1st July for the Cornwall School Games Finals. An incredible achievement. Well done everyone!

This week in school and at home

Year 2 really enjoyed playing the glockenspiels in our music lesson this week. They had fun exploring and creating their own tunes, then learnt how to follow notes to accompany a South African song. The children are also very excited that we have set up our new African house roleplay, and have already had lots of fun dressing up, pretending to collect water, firewood, and pick vegetables from the garden.

This week Year 1 have been very busy using their amazing phonics skills. They have also learnt about halves and quarters in maths and this involved eating cake! In other areas they have been learning about seasons, beginning to find out about Muslims and thinking about how we travel on holiday and building different vehicles.

This week Reception class have travelled the world with the Snail and the Whale. They used Google Earth to explore different countries and made their own maps for bee-bots to travel around.

This week Year 4 have been learning about money in Maths. In English we have been writing play scripts about the story of Romulus and Remus. In History we've been designing our Roman shields and in PSHE we have been learning how to resolve problems in play. In RE we have been learning how Jesus' disciples gave up special things to follow him.

Year 5 children have been away at Heatree for their residential trip. They have had an amazing time and been an absolute credit to the school.

This week Year 3 have been continuing our learning within the Captivating Cornwall topic. We have started to learn the story of The Mousehole Cat and we wrote some detailed descriptions of a setting. We also completed some Geography, where we focused on how a river is formed and found the source of the Tamar River and we tracked it on a map.

Year 6 have been extremely busy this week learning about South America in Geography - Peru in particular; writing stories with a South American twist; learning about biological inheritance from DNA to ear lobes(!); discussing a maths business project in maths...(more to come!) as well as welcoming a little chick (Nugget!) into the world!
