This post has been created to support a deaf pupil with an Education Health Care Plan at our school.

Bishop Cornish CEVA Primary School is a great school in which to work. The staff are totally committed to supporting the individual needs of each pupil and the environment is one where everyone cares for one another and of mutual respect. All staff are encouraged to be both innovative and creative in their work with children – we love trying out new things which will excite and enthuse the children. We are proud to have a very happy team of staff and amazing children.

We look forward to receiving your application form and thank you once again for your interest in our school.

Yours sincerely,

Mrs S. C. Green
