

My setting is .....the snowy mountains .....

What could Georgie see?

- The cold, Arctic sea, in the distance.
- Snow like big fluffy clouds.
- Icy, frozen water, like an ice rink

What could he hear?

- Rocks falling, tumbling down the mountain, destroying the ice in the river
- Polar bears growling in the distance, like roaring lions
- A flock of penguins, squawking like seagulls
- 

What could he smell?

- Cold, fresh air
- The clean, fresh sheets on his bed
