12<sup>th</sup> January 2017

Dear Parents, **Parent Consultation Day - 9<sup>th</sup> February 2018**

This year our Parent Consultation Day will be on Friday 9<sup>th</sup> February. We will be providing you with your child's Annual School Report just before this date and this will form the basis of discussions between you and your child's classteacher. This means that we can focus on progress and areas of achievement so far this academic year but also areas where your child may need extra support academically and socially between now and the end of the year. We believe that this gives us a greater opportunity to work together in partnership.

Please could you complete the attached form, indicating when you would like to come and see the class teacher. Each appointment is for an extended period of **15 minutes** and your child's books will be available for you to look at before and during the appointment.

Teachers will always make every effort to accommodate your indicated time but, as you will appreciate, this may not always be possible. **If you would like to make an appointment on an alternative date and time please speak directly to your child's classteacher and they will facilitate this.**

This day is one of the 5 days the school is closed to children and not an additional day's closure.

Yours sincerely,

Mrs S. C. Green  
Head Teacher
