

Monday 11<sup>th</sup> May

Hola Year !. I wonder how many of you noticed that I gave you work on a bank holiday? The bank holiday was switched from today to last Friday in honour of the VE day celebrations. If you decided to take the day off, use Friday's work today and if you completed all the work last week, you can take today off for your bank holiday instead.

Mrs Garner has asked me to forward you her best wishes and asked me to let you know that she misses you lots. She thought it would be fun to keep up with your Spanish, so she has included a list of web-sites and activities for you to have a go at. Try to do one or two of these activities a week. She will be quizzing you when we all get back to school.

### KS2 Spanish Activities

¡Hola niños! I hope you are all well. Here are some fun Spanish activities to keep you busy. I have also sent some tasks to your class teachers for your relevant year group. Keep smiling and stay safe.

#### Extra ideas to practise Spanish and learn about the Spanish culture too

- Draw a rainbow and label the colours in Spanish.
- Play catch whilst practising your Spanish numbers and see how many you can get up to!
- Have a go at some Spanish baking or cooking with your family. You could try magdalenas (Spanish cakes) or paella (a popular rice dish) or Spanish stew
- Listen to some Spanish music and find out more about different styles of Spanish dance and then have a go yourself. You could try having a go at flamenco!
- If your family has Netflix you can change the language settings and find lots of children's cartoons and films. Mathilda, Horrid Henry, Angry Birds and Minions just to mention a few.
- Look at some famous Spanish artists and see if you can create a piece of art in their style. Try Picasso or Gaudi.
- Choose a Spanish city or Spanish speaking country (you could look at somewhere in South America) and find out some facts to make into a poster or Power Point Presentation.

I have had a go at making the magdalenas and they are delicious.

Disfruta tu día,

Mrs Williams
