

Morning everyone! 😊 

I mentioned that I would upload Year 6 singing a war time song today, *however...* we've had a spot of bother with the electric piano in our room!!

*Soooooooo.....* I'd like you to listen to these songs – you'll probably know or have heard of them before – and learn them! 😊

Enjoy having a good old singsong; *singing is very healing!* Why not phone an 'older' relative, like a great grandparent if you are lucky enough to have one, and share the songs with them? I bet they'd love it!! I know my Nan would!! In fact, I will do just that! I may record it and show you!! 😊

After having a listen and a sing, I'd like you to find out about Vera Lynn. There were many 'pop stars' in WWII, but Vera Lynn stands out as being one of the very best, and was adored by millions!

I found this mini documentary about her life. See if you can watch it and take notes. You'll need these notes for next week! 😊
