

Year 6 Spanish

Hola niños

I hope you are all well and enjoyed your half term break.

Can you have a go at matching up the Spanish room names with the adjectives below? Can you remember what they all mean? Remember if the noun ends in an 'a' it is normally a feminine noun and so the adjective will also match by ending with an 'a' also.

cocina	pequeño
comedor	magnífico
dormitorio	enorme
cuarto de baño	lujoso
salón	pequeña
balcón	bonito

Last time in Spanish you sketched your bedroom and labelled the different pieces of furniture.

This time I would like you to sketch your ideal home (it could be a top floor apartment in Barcelona or a villa on the beach in Marbella...that's up to you!) Be as creative as you like and

make sure you label all the rooms and parts of the home in Spanish. Look back over the vocabulary that we've been learning over the past weeks to help you. Below is some of the furniture vocabulary you used last time.

una ventana = a window

un sofa = a sofa

unos cajones = some drawers

una puerta = a door

un televisor = a television

un escritorio = a desk

una mesa = a table

una cama = a bed

una alfombra = a rug

una silla = a chair

un armario = a cupboard

una lampara = a lamp

I have also attached a Power Point presentation about parts of the house in Spanish which you can use for reference. Remember if you get stuck www.wordreference.com is really useful and also on the Rockalingua website there are some good games and videos all about homes.

Any questions just let me know.

Best Wishes
