## 'Tell the truth to each other.'

**Zechariah 8.16**

This week's value is: *Truthfulness*

Dear parents and carers,

It has been a busy week at Bishop Cornish. We have made the most of the glorious weather and enjoyed the outdoor space as much as possible.

This week our value has been truthfulness. We have thought about how hard it can be to tell the truth sometimes when we don't want ourselves or our friends to get into trouble, in **addition** to standing up for what we firmly believe.

On Tuesday, we held our Communion Service at St Stephens. Bishop Philip joined us and led the exuberant service. It was a joy to see the children affirm their faith.

On Wednesday, Ripple Energy came into school to deliver an assembly and work with the children in Year 3. Ripple Energy are building wind farms in a bid to help with the soaring cost of energy prices and lower our carbon footprint.

On Thursday we held our Jubilee Picnic. Thank you so much for all the kind donations of food. The children were able to all be together, enjoying each other's company and as I am sure many of you who live close by (and to be honest even far away) listen and dance to music. A huge thank you to the PTA for our lovely Jubilee keyrings.

On Friday we held our BC's Got Talent competition run by the children in Year 6. We saw comedians, gymnastics, singing, art work, musicians, magic tricks, and dance. We definitely have some future stars in the making.

Have a lovely weekend.  
Mrs Fletcher
