

Next week the children in:

Reception will be continuing to look at the story of the Colour Monster and thinking about their feelings.

Year 1 will be having a tea party with a tiger.

Year 2 will be artists, exploring and creating different shades by mixing paints.

Year 3 will be will be reading, enjoying and writing humorous poems about school life and teachers!

Year 4 will be will be walking with unicorns and flying with dragons.

Year 5 will be looking to Mecca for divine inspiration.

Year 6 will be filming a blockbuster period movie! Showing in cinemas soon!!

I wonder why Ms Thompson is dressed as a deer surround by children with bows and arrows? Maybe this is something to do with their Tudor project? ☺

Over the summer we had a new decked platform built ready for when we set up the yurt again. Until then it is proving to be a great outdoor classroom. Here are Year 5 and 6 using this space. ☺

Here is Isaac practising to be the next England goal keeper!

Whenever possible we are taking lessons outside, particularly whilst the weather is so wonderful. The children have had maths and literacy lessons on the playground and still had time to be in the woods.

Parent consultations

Thank you to those of you who have returned the consultation slips. Staff will be arranging these over the next few weeks and confirm a date and time directly with you. If you have requested an appointment and not received a date and time, please do get in touch. ☺

Year 2 have been working hard learning about the 'Great fire of London.'

They have created the most beautiful display in their classroom. Here they are sitting in Pudding Lane, the site where the Great Fire started. This is amazing Year 2. ☺

We are so proud of all the children, but especially the Reception children who have made an incredible start to the year. They have settled so well and are showing incredible independence. They seem to be having lots of fun too – both inside and outside in the play area!
