### **Maths**

Have a go at the worksheets attached. You have to count the squares to find the area of a shape or use a ruler and measure the sides first to then calculate the area of the shape!

### **English**

We'd like you today, to do some research on the Tamar Bridge. Make some notes on what you would like to include in your final leaflet. Can you find some interesting fact?

Use the checklist from Monday to help you and create a rough plan of how your leaflet will look. This could be a piece of paper folding in half, 3 ways or into 6 sections, whatever you would prefer to do.

### **Music**

Follow the link above and join Miss Roberts for a really fun music lesson!

Have a great day!

Love from Mrs Nile & Mrs Edwards xx
