Vicky Oakes (Deputy Designated Safeguarding Lead)

"Lest the Lord has forgiven you, so must you also forgive others"

Colossians 3.13

This week's value: ***Forgiveness***

Dear parents and carers,

We have had a busy week at school preparing for our Harvest Festival at St Stephen's next Wednesday at 1.45pm. The children have been practising their singing and dancing as well as building their understanding of the meaning of Harvest. Myself, the teachers and children are very much looking forward to sharing with you next week.

In Collective Worship, we looked at the value of forgiveness. The children in Year 6 read a play to the rest of the school to help them to make links between what is written in the Bible and experiences that we may have today.

Thank you to everyone who joined us for parents evening. It was great to see you in school. I will be sending a short survey out next week to ask for feedback. As a staff we have realised the need for a longer appointment. If you were unable to meet with the teachers, please make an appointment to see them before the half-term break.

Tomorrow is our grounds clean-up day. We are looking forward to seeing as many of you here as possible and time you can give would be very much appreciated.

Have a wonderful weekend,
Mrs Tracey Fletcher
Headteacher

Dates for your diary

Saturday 8th October

Animal Enclosure Maintenance Day
9am-12pm

Tuesday 11th October

Year 5 Heatree information session
3.30pm

Wednesday 12th October

Harvest Festival – St. Stephen's Church
1.45pm

Thursday 13th October

Friday 14th October

Bulb planting in Coombe Woods - Yr 5

Monday 17th October

Nasal Flu vaccinations

Thursday 20th October

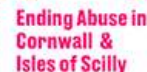

Year 3 Stone Age Day

Friday 21st October

Reception Class – Superhero dress up day
Last day of half term

Monday 31st October

Back to school

Achievement Awards

Molly-Mae in Reception Class deserves the achievement award this week for her determination to write her name properly. She has been practising in school and at home to get it right, well done!

Harper in Year 1 has been working very hard with her writing, phonics and reading and created some fantastic work. She is also very kind and helpful with all of her friends. What a super Year 1 role model, well done Harper.

Isabella in Year 2 has worked really hard on her writing this week. She produced a wonderful piece of writing about her magic bed and remembered all her full stops and capital letters. Keep up the good work Isabella!!

Anthony in Year 3 for his amazing efforts in writing his instructions of 'How to wash a woolly mammoth'.

Jazmine in Year 4 has been an absolute superstar this week. She's always ready to learn and shows me how she can listen carefully. Well done.

Lexi in Year 5 worked really hard to write informative and detailed instructions for making a replica wattle and daub panel! We used it as a class to see how we could improve our own writing! Well done Lexi! 😊

Amelia in Year 6 is a very determined young lady who always strives for perfection across the curriculum. She did really well in her SATs practice papers and that is down to her good work ethic and resilience. You are such a good role model for the school Amelia!

Value Awards

Isabel in Reception Class is very forgiving towards others. She is kind-hearted and will forgive those who need it and is also able to say she is sorry. You are a star Isabel.

Oscar in Year 1 for being a good friend to all his classmates and showing forgiveness, kindness and generosity in class and on the playground. Well done Oscar.

Emily in Year 2 always shows forgiveness towards her friends and is so kind and caring. She even said that Mrs. Oakes made some yummy welsh cakes - which was very kind!

Isla B in Year 3 is a kind and forgiving young girl, she is a fantastic role model for others.

Joshua in Year 4 is such a kind-hearted young man who never holds onto a grudge. In fact – even this week- he had to forgive Mrs Jones for accidentally bumping a trombone onto his head!

Ella in Year 5 was extremely forgiving to Mr Hill when he missed giving her a new handwriting pen! Sorry Ella and thank you for forgiving me! 😊

Riley H and Oliver in Year 6 for showing maturity when talking through their disagreement, forgiving each other, and being great friends again.

Sports Report

Boys football Vs Burraton

A great start to the season for the boys with a brilliant 9-0 win against Burraton. Goals came from Isaac (5), Finley (2) and Matthew E (2). This was a great warm-up match for the County Finals being held today in Truro. Good luck boys.

Arena Football Girls League

Two games for the girls this week. A good 2-0 win against Stoke Climsland with Jess scoring both and then a very entertaining 0-0 draw against SRG. These results keep us top of the League.

This week in school we have...

Year 6 have been busy practising for the Harvest Festival and reflecting on what we have and how we can give to those in need. We have been thinking about 'Wonderful World' and the people or things which make us happy. They have produced some outstanding sketches of fruits and vegetables which will form part of our harvest display.

This week Year 2 have been very busy writing some wonderful stories based on 'The Magic Bed' story. The children have been using some super language as they write and perfecting their amazing handwriting. In Maths we have continued their place value work and have been amazing with number lines. We have been practising for our harvest performance in RE. We have enjoyed exploring and learning about Wales, including making some Welsh cakes on the fire.

Reception class loved using apples from the woods to make an apple crumble last week. They also enjoyed swapping with Year 6 for our first reading buddies session. They have also been busy in their maths group and doing art, practising swirls.

This week Year 1 have been planning and writing their own story based around 'The Tiger who came to tea'. They have also been using the crocodile toy in Maths to help them learn about the less than and greater than symbols. In Science they have been sorting animals into different groups and in PSHÉ we have been celebrating being proud of ourselves for different achievements.

This week, Year 4 have been busy continuing their unicorn English work. We have been interviewing and filming unicorn experts in the woods. In science, Year 4 carried out experiments to show ways in which we can see sound.

This week in Year 3 we have been making woolly mammoths in order to learn how to follow instructions. We then wrote our instructions using this knowledge. Along with this we were writing a class poem for harvest next week, for which we also created a beautiful collage. In maths we have been adding using place value and number facts. Finally, in science we learned all about fossil formation and Mary Anning.

Year 5 have been using Anglo-Saxon building techniques in history and DT; started our new maths topic on addition and subtraction; have written detailed instructions about how to wattle and daub(!) and have been perfecting our Brythonic Celtic harvest song!
