

## Year 4 Timetable Week Beginning 27<sup>th</sup> September 2021

MON	TUES	WED	THURS	FRI Screen Free Fridays
<b>Spelling Unit 13</b> 1. Speed spell – choose 6 words from the previous unit and read these out for children to spell. 2. Complete the Spelling zone activity <b>Daily Reading on your reading book.</b>	<b>Spelling Unit 13</b> 1. Complete the dots and dashes activity. Use the speed sounds chart at the front of small spelling logs to help with the different sounds. 2. Complete word changers activity. <b>Daily Reading on your reading book.</b>	<b>Spelling Unit 13</b> 1. Complete 'words to log and learn' activity – need small spelling log book to do this. 2. Complete the dictation activity (dictation sentences needed). <b>Daily Reading on your reading book.</b>	<b>Spelling Unit 13</b> 1. Play the 4 in a row game. 2. Complete 'choose the right word' activity <b>Daily Reading on your reading book.</b>	<b>Spelling Unit 13</b> Complete the 'team teach' activity. Write the words from the unit on small, individual pieces of paper. Order these into what you think are the easiest to hardest to spell. Now take it in turns to spell the words. <b>Daily Reading on your reading book.</b>
<b>English - To edit and improve a piece of writing.</b> Make sure you have written your instructions from last week on how to be a good friend. Spend time improving these today. Use the toolkit to help you.	<b>English – 'Publish' your work for display.</b> In your best handwriting, copy up your instructions on the paper provided. Everybody's will go on display.	<b>English – interesting and imaginative language</b> Talk for Writing booklet – Unicorns uncovered. Pages 3 & 4. Then write a paragraph about the mythical beast using fantastic words.	<b>English</b> Talk for Writing booklet – Unicorns uncovered. Pages 5, 6, 7 & 8. Read 'River Unicorn' on p5-6 and complete learning on this (p7 & 8).	<b>English</b> Talk for Writing booklet – Unicorns uncovered. Pages 9, 10 & 11 – shades of meaning, read & understand and spellings.
<b>Maths - Round to the nearest 100</b> Watch video – and complete worksheet provided. If this has already been completed, practise rounding numbers to the nearest 10 & 100 – use activelearn games set for you. <a href="https://vimeo.com/452198607">https://vimeo.com/452198607</a>	<b>Maths - Count on in 1000s</b> Watch video – and complete worksheet provided. <a href="https://vimeo.com/455437546">https://vimeo.com/455437546</a>	<b>Maths - Represent numbers to 10 000.</b> Watch video – there is no worksheet to write on for this lesson – practical. You need Base Ten equipment – use worksheet to make your own set. <a href="https://vimeo.com/455437912">https://vimeo.com/455437912</a>	<b>Maths - 1000s, 100s, 10s and 1s.</b> Watch video – and complete worksheet provided. <a href="https://vimeo.com/455438217">https://vimeo.com/455438217</a> <a href="https://res">https://res</a>	<b>Maths - 4 times tables.</b> Look at your homework book and times tables information sheet to see other ways in which you can practise these. Make a pairs game.
<b>LUNCH</b>				
<b>Science</b> Watch PowerPoint.  Create a colourful poster explaining how sound travels to our ears and how we hear this. Make sure you remember to include a diagram of the ear.	<b>Science String Telephone</b> Watch PowerPoint. Choose a worksheet to complete *easiest and ***hardest. Make a string telephone.	<b>History</b> Watch these video links: <a href="#">ANCIENT EGYPT: The Pharaoh civilisation   Educational Videos for Kids - YouTube</a> <a href="#">The Ancient Egypt - 5 things you should know - History for kids - YouTube</a> <a href="#">Introducing Ancient Egypt   History - Lost Lands - YouTube</a> Watch PowerPoint Look at the photo resource sheet and discuss these. Choose one photo which interests you and use this to complete the worksheet.	<b>RE Judaism</b> Watch the PowerPoint on Judaism. There are 3 worksheets to complete and these are explained on the PowerPoint	<b>PE</b> Have a look at the PE ideas worksheet – choose an activity to do today.
<b>PE</b> Access Youtube such as: Joe Wicks workouts, just dance videos or cosmic kids yoga. Or do some physical activity such as playing with a ball, skipping or playing with any sports equipment you have at home..	<b>Outdoor Learning</b> Make a 'magic potion' outside...do ask an adult what you are allowed to put in this and don't pick anything without asking.	<b>Art</b> Try drawing some Egyptian artefacts – use the photo resource to help you.	<b>Outdoor Learning</b> Build a <b>stick tower</b> . Challenge your family members to a contest - who can build the tallest one in 10 minutes? You could use just sticks or combine them with string or tape. Make sure everyone has an equal number at the start!	Choose an activity from earlier in the week such as art or an outdoor learning activity to complete. Use this session to catch up on an English, Maths or topic work which you need more time for,
