

To inspire through faith and love that all may flourish.

Bishop Cornish CofE VA Primary School

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonour others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.

1 Corinthians 13:4-7

Message from the Headteacher

UPCOMING EVENTS

Monday 5th October

Parent Consultation Week
– no extra-curricular clubs

Thursday 8th October

9:15-10:15 Open morning
– new families

Friday 9th October

Hello Yellow - YoungMinds

Monday 12th October

Tempest Photography
(Individual photos)

Country Race – leaving at
2pm

Friday 23rd October

Inset Day

Monday 26th October –

Friday 30th October

Half-Term

Monday 2nd November

Inset day

Tuesday 3rd November

Year 1 Hearing Screening

Tuesday 10th November

Seasonal Flu – Nasal Spray

Another Busy Week at Bishop Cornish!

It has been another busy and exciting week across the school. Children have enjoyed learning about how animals help people, including a fascinating visit from the paramedics and a chance to explore an ambulance.

As part of our Harvest learning, pupils have been reflecting on what they are thankful for. Learning has also included drama, storytelling, investigations into natural and man-made materials, and scientific experiments to discover which materials are the stretchiest.

Across the school, children have continued to develop their writing, editing and creative skills through a range of exciting activities, including clay modelling, music, sport and outdoor learning. Science investigations have explored sound and vibrations through hands-on experiments, while history lessons have brought the past to life through studies of Boudicca and World War II artefacts.

In maths, children have been developing their understanding of place value and decimals, while geography and science lessons have focused on day and night and how time varies across the world. Art lessons have complemented this learning through the creation of sundials.

We are also pleased to report that Flopsy and Bugsy have settled happily into their new home and are enjoying getting to know their new animal companions. Ella my oldest dog has taken it upon herself to stand guard over the hutch!

A reminder that Parent Teacher Meetings take place next week. These provide a valuable opportunity to meet your child's teacher, discuss how they have settled into the new school year and celebrate their achievements so far.

Thank you for your continued support, and we hope you have a lovely weekend.

Mrs Fletcher

To inspire through faith and love that all may flourish.

Bishop Cornish CofE VA Primary School

Headteacher Award

Reception Class Rafe for always being willing to join in and try his very best in everything he does.

Year 1 William for working so hard on his writing this week.

Year 2 Eden for making super progress in maths and being so clever with tens and ones. Keep up the hard work.

Year 3 Princess for producing amazing science work that wowed the class!

Year 4 Charlie, We have been particularly impressed with your effort and independence within our writing lessons this week. You have shared some great ideas.

Year 5 Evie - For always trying her hardest and listening to everything that she is told in school and when swimming.

Year 6 Daisy, for an outstanding piece of work about the positive and negative experiences of WW2 evacuees.

Value Award

Reception Class Delilah for being a kind and caring friend who is always ready to help others.

Year 1 Reagan for being such a good friend

Year 2 Rosie, she always cares for everyone and makes sure they are all okay.

Year 3 Maia - for always being a friend to everyone

Year 4 Aubree, You show kindness, thoughtfulness and respect wherever you go!

Year 5 Joeanns, for being so welcoming to new children starting school.

Year 6 Niall, for helping others and setting a great example of our school values all of the time.

BFF - Handwriting

Reception Class Betsy

Year 1 Indie

Year 2 Romilly

Year 3 Ada

Year 4 Oscar - Your writing position has been spot on!

Year 5 Blake for making a great effort with his written presentation.

Year 6 Jake

Perseverance

This week in **Reception**, we learned about super animals as part of our Superheroes topic and explored how different animals help people. We also had an exciting visit from the paramedics who told us about their job and showed us their ambulance!

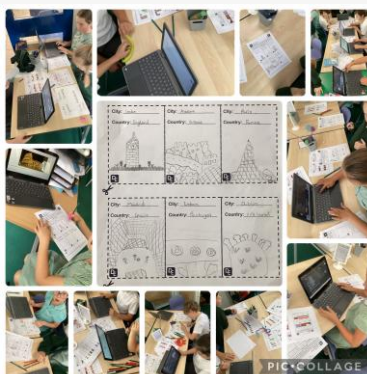

This week at Bishop Cornish...

This week in **Year 1** we have been talking about what we might thank God for at Harvest. We have started retelling Red Riding Hood and did a bit of drama. In science we discussed and searched for handmade and natural materials.

Trust

This week in **Year 4** we have continued to look at capital cities in Europe, we have drawn many popular landmarks from our chosen cities. In English, we have been learning how to use inverted commas, we have used a range of adverbs to describe how and decided what our main character would feed our 'thing'. We have also been working hard on securing our place value in maths.

Justice

Year 3 have been refining their editing skills in English following their independent write. They have been throwing themselves into PE during handball and football whilst also embracing their creative sides and making 3D clay models of Stonehenge.

Respect

Year 2 were amazing scientists this week finding out which was the stretchiest material. They worked super hard in teams to achieve great results. They have also been amazing musicians on the glockenspiels.

Compassion

In **Year 5** this week, Hundredths have replaced the tenths in Maths this week, while in English, we have started looking at a new writing project based on the mini-film, 'One small step'. In Geography and Science, the children have been learning why we have day and night and how time varies according to where on earth you are. For Art, they have been making sundials to show how time can be told in different ways.

This week in **Year 6**, we have explored the experiences of WW2 evacuees, learning about the positive and negative aspects of their lives during evacuation. We also enjoyed getting hands-on with WW2 artefacts, using these to develop our understanding of what life was like during the war.

Friendship
