

Hello my Year 1 stars,

Did you have fun on Friday? I bet lots of you had a special party for VE day. We even had a special party outside our house when I got home from school. We all stayed apart and had family picnics on our drives. It was so much fun!

Try and have a go at some reading today. Did you take a picture of you reading in a strange place? I can't wait to see all the photos. Can you choose three red words from your list and find them in a book?

Today and tomorrow I have set you a phonics challenge. You only need to print page 1 of this. Today can you read the words on the grid then tomorrow we will do the colouring activity.

You will never believe what happened over the weekend! I was out walking with my family in Saltash, at the waterside and I found a bottle with a message in it!!!!!!!!!!!!!! (watch today's video and you will see). A long time ago people didn't have emails or texts or any kind of technology and this was how they sent a message. This message was from Anne Bonny, she was very upset because Captain Blackbeard had been very, very cruel and unkind to her and left her on an island. She has asked us to help her. Could you come up with some ideas today about how to help her? you could draw or write.

Just to warm up your maths brains, can you watch this and have a go <https://www.bbc.co.uk/bitesize/tags/zjpqqp3/year-1-and-p2-lessons/1> just to go over those number bonds again.

This week is going to be all about measuring and weighing. Today can you find five different things and put them in weight order? from heaviest to lightest.

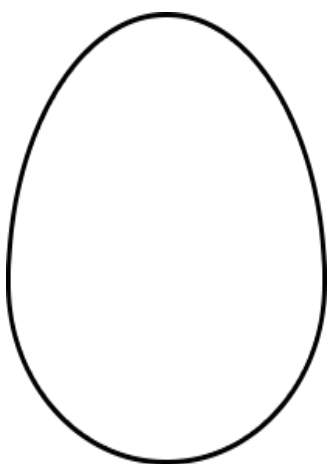

This afternoon you can fill in your weather chart but also could you go for a little walk? Can you find some signs of spring and draw them in your chart? if you can't go out for a walk, you can look in your garden.

Have a great day,

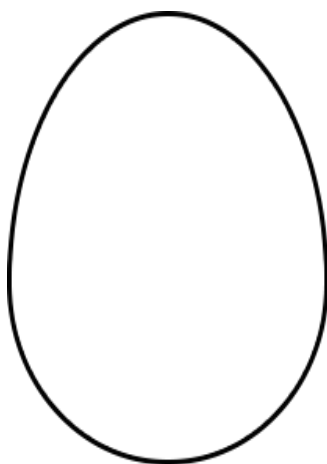

Love Mrs.Oakes
