Counting Croc has realised that when we know the numbers which

add together to make ten, we can easily

take something away from 10.

Can you solve these calculations?

| | | | | | | | | (| | | | _ | | |
|---|---|---|---|---|---|--|--|---|---|---|---|---|---|--|
| | + | 5 | = | ı | 0 | | | ı | 0 | - | 5 | = | | |
| 3 | + | | = | ı | 0 | | | ı | 0 | - | 3 | = | | |
| | + | 4 | = | ı | 0 | | | ı | 0 | - | 4 | = | | |
| | + | 8 | = | ı | 0 | | | ı | 0 | - | | = | 2 | |
| q | + | | = | 1 | 0 | | | 1 | 0 | _ | | = | ı | |
