Vicky Oakes (Deputy Designated Safeguarding Lead)

'God loves a cheerful giver.'

2 Corinthians 9.7

This week's value: **Generosity**

Dear parents and carers,

We have had a busy week at school. The children have been amazing and very quickly settled back into school routines.

Our new children in Reception Class are already joining us for whole school Collective Worship. I have been very impressed with both their eagerness to join in, sharing their thinking, as well as sitting beautifully. We began the week with Collective Worship, where we explored the value of generosity. We listened to the story of The Generous Widow and how she gave everything she had for her offering. The children thought about whether generosity was always about giving money or something that you do not really need or is it something much more than that. The children were, as always, insightful in their responses. We thought about Queen Elizabeth II and the service that she gave.

As a staff, we have been looking at targets for next year, which we will update you on in the near future. The Positive Behaviour policy has been reviewed, and will be shared within a meeting after school later on this term, much like we did for the PSHE programme.

To parents old and new, please remember that we have an open-door policy and welcome feedback from everyone.

Mrs Tracey Fletcher
Headteacher

Dates for the diary

Monday 19th September

Bank Holiday

Wednesday 28th September

Firefighters Visit – Reception Class

Thursday 29th September

Phonics Meetings for Reception Class and Year 1 Parents 2.30pm and 7.00pm

Year 6 at Saltash Community School for visiting author

Tuesday 4th October

Parents Evening – letter to follow

Wednesday 5th October

Police Visit – Reception Class

Parents Evening – letter to follow

Thursday 13th October

Tea and Talk 2.45pm

Monday 17th October

Nasal Flu vaccinations

Thursday 20th October

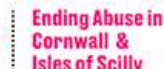

Year 3 Stone Age Day

Friday 21st October

Last day of half term

Monday 31st October

Back to school

Achievement Awards

Imogen in Reception Class deserves the achievement award for this week for settling into school. She has been very chatty to her friends and new teachers, has played beautifully with everyone and is clearly enjoying her time in class. Well done Imogen.

Amelia in Year 1 for her fantastic attitude to learning and sharing some great phonics and reading. What a fantastic start to Year 1, keep it up!

Emily in Year 2 deserves the certificate this week for being an amazing superstar. She comes in every day with a smile, works hard and is so kind. Keep up the good work Emily, I know you are going to have a great year!!

Naya in Year 3 for already moving up a reading level. Fantastic work!

Daisy in Year 4 has made a wonderful start to Year 4 by being ready to learn, showing her teacher she is listening carefully and trying hard with her learning. Well done Daisy.

Kira in Year 5 is a real super star. She is a model of excellent behaviour and works extremely hard, focussing and trying her very best. Keep up the good work, Kira. Well-done! 😊

Izzy in Year 6 for her outstanding Doodle Maths skills. She has worked so hard and her progress is amazing. Keep up the good work Izzy 😊

Value Awards

Sophie in Reception Class is always generous with her time for others and her kind ways. She is thoughtful and considerate of others feelings. Keep it up Sophie.

Millie in Year 1 who this week has been generous with her time and friends. One of her friends broke something that was important to them and she spent a lot of her time comforting them and making them feel better. Well done Millie.

Skye in Year 2 is so generous with her friendship and love at school. She always checks how other people are doing and offers to put an arm around them. Thank you for being so lovely Skye!

Freddie in Year 3 is very generous with his smile and humour, he can easily cheer people up with his happy energy.

Lacey in Year 4 is always generous with her kindness and love for others. She always comes into school sharing a lovely, big smile, ready for the day ahead. Thank you for being generous Lacey.

Francesca in Year 5, nominated by Lexi, has had a brilliant start to Bishop Cornish! Lexi said how Francesca has been extremely generous with her time, leaving others on the playground to listen and play with her, when she had no one to play with. Thank you for being a generous friend Francesca. 😊

This week's award for generosity in Year 6 has to be the whole class as they have given their time and shown love in helping our two new pupils, Malaika and Kymani settle in to our school.

This week in school we have...

This week Year 3 have been continuing with place value by comparing and ordering three digit numbers. We have started to research the Stone-age in order to write our own Stone-age stories. We also foraged in the woods for pine cones and other natural materials to sketch. We then built shelters and had time to explore. Additionally, in science we learned different types of rock and grouped them into man-made and natural.

Year 4 have had a super week. We have begun our RE unit of work and have been looking at God's Wonderful World. We began this topic in our woods session looking at nature with the 'wow' factor and then creating nature collages. In our PHSE session 'becoming a class team', we have really thought about what the word 'included' means and how we can ensure our class is inclusive.

This week Year 1 have been enjoying the story, 'Dear Zoo' and using lots of adjectives to describe the different animals. They have also been sorting and ordering objects in Maths and practising their place value skills.

This week Reception class have been learning all about real life superheroes and people who help us. There has been lots of dressing up and catching bad guys in the classroom. They have also all been busy practising their phonics skills in and out of the classroom.

Year 6 have been celebrating the life of Queen Elizabeth II. They have used sketching skills to draw her coronation and embellished them with a light dusting of water colour. They have also been getting to grips with 6 digit numbers, they have really impressed me as they have been building on their knowledge and skills which they gained last year. They are an outstanding Year 6! Well done.

Year 2 have loved using their new grown up spelling books this week. They have tried so hard with all of the activities. They have also been amazing readers. In maths they have worked hard on their place value work and in science have learnt all about MRS GREN - ask them to tell you!! We have learnt about the four countries in the United Kingdom and begun to talk about the good news that we find in the bible. A great week Year 2!!

Year 5 have been deepening their understanding of place value to numbers up to 10,000; learning more about proof-reading and editing, working in partners; have been thinking about the characteristics of different animal groups, looking similarities and differences; as well as re-enacting the rise of the Anglo-Saxons and the departure of the Romans on the field!
