

This is our Number bonds making ten, character story. We call them the friends who make 10

10 in his zero cave could only make 10 on his own. He went on a journey to find friends who make 10.

Pretend to juggle and say "6 and 4, 6 and 4, 6 and 4 above the door!"

Flap your bee wings and say "5 and 5, 5 and 5, 5 and 5 on the hive!"

Pretend to climb a ladder and say "7 and 3, 7 and 3, 7 and 3, climb the tree!"

Pretend to open and close a gate and say "2 and 8, 2 and 8, 2 and 8, on the gate!"

Stretch up your arms and pretend to swing on a washing line. Say "1 and 9, 1 and 9, 1 and 9, on the line!"
