

Year 2 Tuesday 24th March 2020

Good morning,

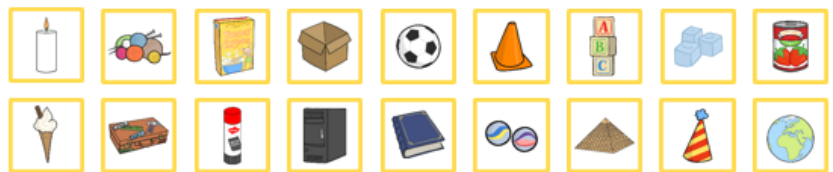

Hope you are bright and happy this morning.

Continue learning your Times tables - 2s, 3s, 5s or 10xs tables.

Today I would like you to look around your home and garden for things that are 3D shapes. Draw and label them. Sort the shapes on the sheet below.

cube	cuboid	sphere
cylinder	square-based pyramid	cone

Alphabet

List the alphabet on a piece of paper. Challenge yourself to think of an animal that begins with each letter. To make yourself think even more, write an adjective to go with each animal that begins with the same letter or an expanded noun phrase and then a verb and adverb, e.g. angry antelope, big, boring buffalo, calm, clever cat crawls carefully.
