

'but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint' Isaiah 40:31

Dear Parents and Carers,

I cannot believe that we are already at the end of week 2. The children and their teachers have had a busy week and are well back into the swing of things. I have very much enjoyed seeing the great work that the children have done in class and brought to show me. I can't remember ever giving out this many stickers!

Although at this moment time we are unable to run after school clubs, the teachers and myself would like them to begin after the Autumn half-term. We will be in touch shortly with more details.

On a different note as many of you are aware we are experiencing a rise in the number of COVID cases. In school we have reverted back to class bubbles and are doing all that we can to limit the mixing of children. With that in mind, can I please ask that breakfast and afterschool club is used only when necessary. This will support us in our measures to minimise the risk of the spread of infection.

Thank you for your support.

I hope that you have a lovely weekend.
Mrs Fletcher

Next week the children in:

Reception will be learning about the RNLI, guide dogs and vets as part of our what makes a superhero topic. We will become vets ourselves and be fixing poorly animals.

Year 1 will be finding out about their senses, writing letters to the zoo and working out one more and one less. They will also be thinking about how Christians show they love God.

Year 2 will be sharing a new story, 'The Magical Bed' and using 'Google Earth' to explore aerial views of the United Kingdom.

Year 3 are going to be doing some drama and acting out the story of The Stone Age boy.

Year 4 will be exploring the world of Ancient Egypt as they travel back to the past to begin their 'Incredible Egyptians' topic

Year 5 will be painting their Viking shields and immersing themselves in their fantasy stories.

Year 6 will be delving deeper into the lives of monarchs in a research project, to gain an insight into the trials and tribulations of 16th century England.

IMPORTANT DATES FOR THE AUTUMN TERM

20th September – Yr 1 Hearing Screening

2nd October – St Stephen's Church Fair
10am - Midday

6th October – RNLI visit Reception Class

8th October – Harvest Festival

12th October – Police visit Reception Class

(Speak Out Stay Safe programme)

14th October – Fire Service visit Reception Class

20th October – Nasal Flu immunisations
(all children)

25-29th October – Half Term

Can you help?

If you have any spare underpants for children of Reception/Year One age please can you donate them to the school – thank you.

Achievement Awards this week go to:

- Rosina in Reception for being such a super member of the class. She is always ready to learn, happy to help with any task and has a great big smile on her face all day. Well done Rosina!
- Aiden in Year 1 who has come in every day with a smile. He quietly gets on with all he is asked to do and is so kind and caring. Thank you for being a star Aiden!
- Joshua in Year 2 for his enthusiastic attitude to learning across all subjects and his perseverance in maths with his number bonds to 20.
- Kacey in Year 3 for amazing reading this week and moving up a colour band!
- Harry in Year 4 has made an excellent start to the year in all areas of learning. Harry has demonstrated fantastic team work. Well done Harry!
- Ruben in Year 5 for his determination, courage and strength to achieve amazing learning in class. We are so proud of you.
- Isabel in Year 6 for being a brilliant sport during a writing workshop. Allowing her classmates to analyse her writing. A very mature attitude.

Year 5 have had another busy week reading, writing and comparing 6 digit numbers. They all made their own place value grid resource that they will be able to use for future lessons.

However, their art this week must be showcased as it is truly amazing. They have learnt how to use lines and vanishing points to create a 3d Hogwarts castle to create their settings for their fantasy stories.

This week, Year 4 have been discussing the qualities of being a good friend. In our wildwoods session, we enjoyed a story about friendship then worked in teams to build a miniature world for a group of Lego characters. The children were amazing and used all the skills they had been discussing - amazing team work. Well done Year 4!

Reception class having great fun dressing up.

In Year 2, the children have been imagining they are on a deserted island and writing a diary entry about their experiences. In science they have been exploring their local woodland habitat and the fascinating creatures that live there.

This week Year 3 have been painting some amazing Stone Age animals!

Year 6 have been writing descriptive epics about the journey the first Tudor monarch took to defeat King Richard III! This has been in preparation for our blockbuster film, which we start filming soon!
