

Remote Learning - Year 3 (22nd- 26th February)

Good morning Year 3, we hope you all had a well-deserved, fun and restful half term.

Here is your remote learning for this week.

Love from Mrs Nile, Mrs Edwards & Mrs Rawlings x

Maths

This week we are looking at multiplication and division.

Monday-

<https://whiterosemaths.com/homelearning/year-3/spring-week-2-number-multiplication-division/>

_Follow this link and click on today's lesson – Multiply 2 digits by 1 digit (1)
After you have watched the video, complete the question sheet.

Tuesday –

<https://whiterosemaths.com/homelearning/year-3/spring-week-2-number-multiplication-division/>

_Follow this link and click on today's lesson – Multiply 2 digits by 1 digit (2)
After you have watched the video, complete the question sheet.

Wednesday -

<https://whiterosemaths.com/homelearning/year-3/spring-week-2-number-multiplication-division/>

_Follow this link and click on today's lesson – Divide 2 digits by 1 digits (1)
After you have watched the video, complete the question sheet.

Thursday –

<https://whiterosemaths.com/homelearning/year-3/spring-week-2-number-multiplication-division/>

_Follow this link and click on today's lesson – Divide 2 digits by 1 digit (2)
After you have watched the video, complete the question sheet.

Friday –

Watch the video for today. This lesson is about dividing with remainders. Pause the video when asked and work out the answers on a piece of paper.

<https://whiterosemaths.com/homelearning/year-3/spring-week-3-number-multiplication-division/>

Don't forget to use the answer sheets to mark your work!

Extra Maths

We have included some extra Maths, just in case you fancy doing some more!!

English**Monday**

Today we would like you to listen to Mrs Nile reading the story of The Mousehole Mice (there are 2 parts).

Listen carefully and then answer the guided reading questions.

Tuesday

For the rest of this week, we are going to think about persuasive writing.

You are a member of the St Ives Tourist Board and your job is to design and make a poster/ leaflet to persuade people to come to St Ives for a holiday!

Let's find out how to persuade your reader to visit St Ives!

First of all log onto Twinkl Go, type in the code: TK5864 and watch the powerpoint:

'Writing to persuade presentation'.

Did you manage to spot any of the 4 features of persuasive writing?

Have a look at the word mat. It gives you great examples of persuasive writing – how to begin your sentences and which words to use. Print this sheet out, if you can, it will be very useful.

Now try the WAGOLL sheet. You'll need to highlight or underline the 4 different features – ask a family member to help.

Wednesday

Today we will find out about more features of persuasive writing that will help us when we design our leaflet or poster.

Look at the poster for today and read through all the features.

Now watch these adverts:

Hovis advert <https://www.youtube.com/watch?v=8OBlli26gaY>

Innocent Smoothies advert <https://www.youtube.com/watch?v=g9xcPtIU0dE>

Volvo advert <https://www.youtube.com/watch?v=13dIEtkmb9k>

Colgate advert <https://www.youtube.com/watch?v=7D1ej0AgngY>

M&S food advert <https://www.youtube.com/watch?v=5lwMQYxm23U>

They are all quite different but they are all trying to persuade us to buy something.

Can you spot any of the features from yesterday or today?

You'll need to watch the adverts again – choose 2 and then fill in the 'Features of Adverts - recording sheet'. You can do 4 adverts if you have time!

Thursday-

Today we are going to look at written adverts.

These have fantastic written language, use lots of images, have catchy titles and brief content. Did you notice that some TV adverts last over a minute, while lots of written adverts can be read in less than 20 seconds! Each word must work hard to persuade!

Look at the adverts for the trainers.

Can you spot the persuasive features?

Fill in today's recording sheet. Choose 2,3 or 4 adverts.

Friday –

Today you are going to design your poster/leaflet for the St Ives Tourist board.

Watch the video about St.Ives again that we looked at last week.

<https://www.youtube.com/watch?app=desktop&v=dksyH4JmfKE>

While you are watching think about these questions:

Who are you trying to persuade to visit?

What can people do when they visit St Ives?

What makes it a special place?

Where can people stay in St Ives?

Now design and make your poster or leaflet.

Plan carefully – think about all the features of persuasive writing (check with the word mat and poster). Describe it using wow verbs, adverbs and adjectives. What about using similes – 'like a jewel?'

What size paper will you use? A4? A3? (if it's a poster). Will you fold it, if it's a leaflet?

Think about colour too and your writing. Will you use capital letters? Bubble writing?

Will you add illustrations or print out some images?

You'll need your poster or leaflet to catch peoples' eye – make it stand out!

We'd love to see your work when you've finished!

RE (Tuesday)

Watch the video below. It is a famous parable which Jesus told:

<https://www.youtube.com/watch?v=YiWq1fGgK-U>

You may have heard that parable before. What was Jesus teaching in that story?

Now log on to Twinkl Go and type in the code EC8047

There is a worksheet for you to complete about the parable. You can choose which one to do!

Topic (Wednesday & Thursday)

Topic 1

This week we are going to find out more about rivers, in particular the rivers in Cornwall.

Download the blank map of Cornwall below and print it out or use the one below:

https://d-maps.com/carte.php?num_car=92480&lang=en

Now click on the link below, which shows the main rivers in Cornwall.

If you hover over the name of each river on the left hand side, you can see where the river flows.

Now, mark these rivers on your blank map of Cornwall:

River Looe

River Lynher

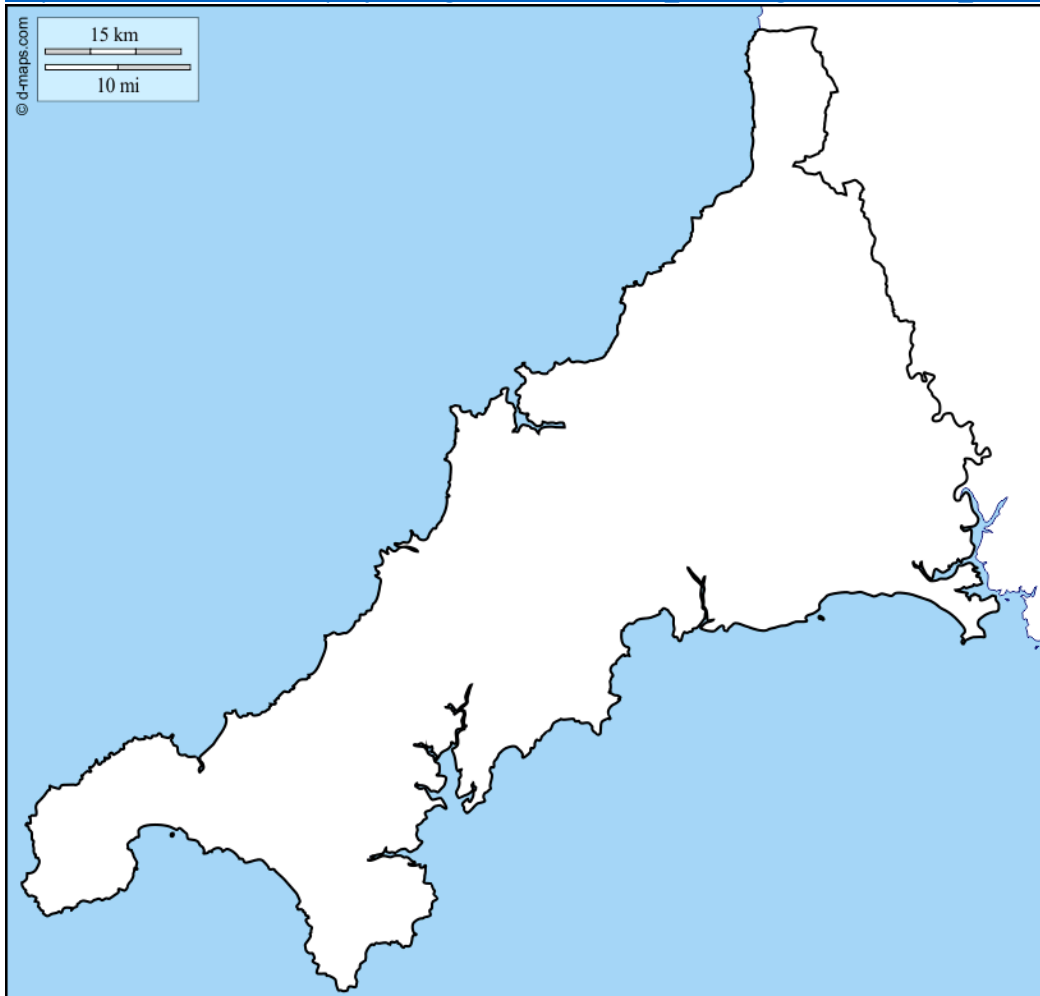

River Fal

River Seaton

River Cober

It's quite tricky, take your time!

http://www.cornwallriversproject.org.uk/education/ed_cd/background/cornish_rivers.htm

Topic 2

Today we will be labelling the different parts of a river and finding out where rivers begin and end.

Log on to Twinkl Go and type in the code: JI9017

There are 4 activities for you to look at/do.

1. Look at the display poster (print it if you can)
2. Do the 'Features of a river multiple choice quiz'
3. Now complete the 'Labelling parts of a river activity sheet'
4. Lastly, if you have time, or you're bored, complete the 'Non-fiction reading comprehension'

Art (Monday)

Can you draw a Mousehole Mermaid? How are you going to decorate her tail? Maybe you will add sequins or shiny paper/material. Be creative!

Bring them into school when you return and we can add them to our Mousehole display!

Extra Activities!

- <https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>
Topmarks is a great website to be able to play maths games! Great way to practise those times tables!!
- <https://www.pobble365.com/> Pobble 365 upload a new picture every day with a variety of grammar questions, art tasks and discussion points to go with it. We have used these in class so you will recognise how it works!

Tasks to continue throughout the week –

- **Daily reading 20- 30 mins, either to yourself or a family member (this can include a pet!)**
- **Once you have completed your book don't forget to quiz.**
- **Times table practice. You should aim to practise for 20 mins a day.**
- **30 mins of exercise a day! Don't forget to have a 'break' time!**
