### **Maths**

Today, we would like you to log in to Mathletics and complete the tasks set. The tasks are all linked to last week's learning about coordinates.

### **English**

Watch Mrs Edwards' & Mrs Nile's videos! We have set you the challenge to re-create a front cover of one of your favourite books! You could dress up or make props. You may need to ask your family to be involved or even your pets!

Take a photo or a video and send them to us!

**Topic/History**

Have a look at the attached document, this shows slides from a power point about Egyptian Tombs.

Answer the questions, as best you can. You don't have to write all your answers down, but you can discuss them with an adult or older sibling.

You could draw what you would take with you, in your tomb, to the Afterlife.

Have a great day!

Love from Mrs Nile & Mrs Edwards xx
