

Hello my lovely Year 1's,

Well done for all the super work you have done this week!! You are all being awesome.

Carry on with your reading today and then have a go at playing a couple of those phonics games again.

Today is all about making a map. Can you think about where you would hide treasure in your house so that Blackbeard couldn't find it? Now make a map to show where it would be. Make sure you label all the things you might see in your house using your super phonics skills. Ask a grown up to show you where North, South, East and West might be. These are points on a compass and would be what the pirates used to find their way as they didn't have google maps!!

Now it is time to make your treasure!!! Can you cook something yummy with a grown up to hide for your family? Make sure you help with the weighing and have a go at using scales. Which ingredient do you need the most of? Can you use the numbers on the scales?

This afternoon its time to hide the yummy treasure you made earlier. Can you give your family the map you made and help them to follow it to find the treasure. Now you can share and enjoy it together.

Have a wonderful treasure hunt and enjoy the yummy treats!!

Love Mrs.Oakes
