

Wb 4/1/21

Hello everyone! Below is a mixture of activities linking to what we will be doing in school, you do not have to do every activity, just pick a few to do each day. I would love to see how you get on so please upload some photos on to Tapestry.

Practise recognising and writing your name! Can you also learn your last name? make sure you form your letters properly.	Can you recognise numbers 0-10? See if you can try writing them all down in order and correctly. Challenge yourself with numbers to 20!	Play a number board game like snakes and ladders. Or make your own game of number snap!
Listen to the story of 'Harry and his Bucketful of Dinosaurs' (This can be found on youtube).	Practise your buttons! Make sure you can button up your shirt or dress. Why not try and learn how to undo your tie with out it coming apart?	Talk about what does and does not make a good friend. Make a list of rules or a poster about being a good friend.
Play I spy, can you find things that start with a, c, s, g, b and f?	Have a go at writing some words with 3 letters (consonant, vowel, consonant) like: cat, dog, pat, man.	Do some cosmic kids yoga, listen to a story or go on an adventure! https://www.cosmickids.com/category/watch/
Can you play a missing number game? Adults write down a group of numbers with one number missing, children add it in!	Pick any activity you like off: https://www.bl.uk/childrens-books/themes/all-activities	Read your favourite book somewhere cosy!
