Safeguarding Team: Tracey Fletcher (Headteacher and Designated Safeguarding Lead)

Vicky Oakes (Deputy Designated Safeguarding Lead)

"Learn to do right. Seek justice."

Isaiah 1.17

This week's value: ***Justice***

Dear Parents and Carers,

Another busy, busy week in school. On Monday some of the children in Years 1 and 2 joined in with the AIM High Maths day with many other schools. Great fun was had by all!

Also this week, the children have been rehearsing for the production of Aladdin, and the Year 6 Leavers' Service. The production gets better by the day.

The children in KS2 had their first time on the stage at Saltash Community School. They all took the change in their stride. Next week, we will have two rehearsals at the secondary school and then be ready to share with you all. The children are really excited as are the teachers. The production will take place on Wednesday and Thursday of next week. Can the children please start arriving at 5pm in order for us to help them to get ready. We will be opening the doors for parents, carers and grandparents at 5.45pm. We are looking forward to seeing you there.

On Thursday this week we had our 'move up' day. The children in school spent time with their new teacher for the morning. In some classes the children were asked to work out if statements were true or false. Shall we say there were some very interesting statements both from the teachers and children! We also welcomed some new children and their families to Bishop Cornish. It was great to see them fitting in so well. We are sure that they will soon feel part of our school family.

Our children in Year 6 spent the day at their new secondary schools. We had some lovely feedback and are very proud of them for representing Bishop Cornish so well.

Finally, on a sad note we lost Hattie, one of our guinea pigs, due to old age. Hattie had been here for several years and gave so much joy and comfort to the children. She will be sorely missed.

I wish you all a lovely weekend and look forward to seeing you at the many upcoming events.

Mrs Tracey Fletcher

Dates for your Diary

Monday 8th/Tuesday 9th July

KS2 Rehearsals until 5pm at secondary school

Wednesday 10th/

Thursday 11th July

KS2 Production 6pm
(children to arrive at 5pm)

Monday 15th July

Year 6 end of year trip

Wednesday 17th July

Leavers' Service

Thursday 18th July

Leavers' Assembly

Friday 19th July

Last day of term for the children

Tuesday 3rd September

INSET Day

Wednesday 4th September

Back to school

Achievement Awards

Richard in Reception Class for making huge improvements with engaging in class, trying new foods and helping himself to drinks throughout the day.

Molly-Mae in Year 1 for her continued good efforts in all areas of school life.

Molly in Year 2 for her amazing research on Cheetahs and then lions ready for our learning next week.

Alfie in Year 3 who worked very well in a team using his geography and history skills to do some map reading to find old mining sites in the Tamar Valley. Well done Alfie.

Poppy in Year 4 for working really hard in English and creating a detailed plan that showcased her creative ideas well!

Moses in Year 5 has been working extremely hard lately, trying his best and approaching everything with determination, resilience and a smile. Well done.

The Head's Award in Year 6 this week goes to a lady who has stepped up into the role of Assistant to the Musical Director, taking charge of all the music for our production. Katy, your time keeping, organisation and general attitude to your role has been phenomenal. Well done Katy 😊

Value Awards

Annabelle in Reception Class for always treating everyone fairly and with respect and doing it with a smile on your face.

Rosina in Year 1 shows the value of justice naturally. She is wise beyond her years and kind.

Imogen in Year 2 for trying really hard to make the right choices and helping others to do the same.

Dexter in Year 3 who has a very good sense of right and wrong and is a fantastic Year 3 role model. Well done Dexter.

Ted in Year 4 for always demonstrating a fair attitude, treating those around him with respect and compassion.

Kyla in Year 5 can always be relied upon to make the right choice in a situation, she has a strong sense of justice and is a great model of this value. Well done Kyla.

Finley in Year 6 is always true to himself and fair to others. He has been supporting his group in the production and ensures everyone is treated fairly and given credit for their hard work. Finley, you are always quick to ensure everyone is treated fairly and you are a good friend to everyone in our school.

This week in school we have...

This week Year 5 have been really enjoying and participating fully in PSHE lessons. This week they have been thinking about the changes of moving on. We have been continuing our art project 'Is graffiti art or crime?' and looking at examples of political and emotive messages. We've really enjoyed our PSHE sessions over the year.

This week in Year 4 we have had a busy week starting to write our stories in English. In between English and Aladdin rehearsals, we have been learning about polygons in maths. We looked at what a polygon is and the difference between an irregular and regular polygon.

This week in Reception Class we have been recapping lots of the maths we have learned this year including adding, subtracting and shapes. We have been starting to write postcards from the adventures that the snail and the whale went on and exploring a wider variety of language. We also had our move up day to Year 1 and had an amazing morning.

This week Year 2 have been having fun making up cheetah jokes and telling people about hunting cheetahs. They have been problem solving in maths and finding out about survival in science. They enjoyed lots of PE and learning more about different places of worship.

This week in Year 3 the children have been combining their geography and history skills to explore the Tamar valley. They learnt how to use an ordinance survey map to search for evidence of mining in the Tamar valley, noticing how many sites there were, their location, and whether the map showed that the mining was current or historical. In maths they have been exploring angles, using 'right angle measurers' to investigate angles within the classroom.

This week we have been super writers and mathematicians along with having lots of extra fun.

Year 6 have continued to be busy rehearsing their production of Aladdin, writing their scripts for their Leavers' Assembly and practising for their Leavers' Service! They are being absolute stars in every sense and we are all very proud of their achievements. They have visited their next schools as part of their transition and all their handovers have been done. I am already feeling very emotional and missed them terribly on move up day but I am also very proud of their accomplishments. Way to go Year 6!
