☆ ☆ Have a go at the reading comprehension paper (attached in email) over the next couple of days!

\*

(Parents – there are three different levels of papers. Choose the one that is best suited to your child, you can read these with your child and discuss/help them to answer the questions).

## 2) Maths

Some of you may have had difficulties getting on Mathletics yesterday, I did!!

I have set a maths game for you each on Abacus instead, this seems to be easier to access at the moment. Your passwords are stuck in the front of your home learning books, or have been emailed to you.

## <u>Art-</u>

Can you create a self portrait from natural materials?! 🙂

Take Care
