

Year 4 Learning for the week – Mrs. Jones

Week Beginning: Monday 20th September

Structure of day:

English & maths every morning.

Times Tables – practise these daily as explained in your homework book.

Reading – 20 minutes daily – Continue with your AR reading book and quiz on this in school when you have finished it.

Spelling – 10 minutes daily – please used scanned in units from the workbooks which we use in class. Children are familiar with how these units work as they have been using Read-Write-Inc spelling throughout Year 2 and 3.

Handwriting – 10/15 minutes three times a week. Please use the handwriting guidelines to help with accurate letter formation and height of letters.

Topic in afternoons

There may be links for these lessons. If these are on twinkl, you click on the 'twinklgo' link this will take you to the site, You then need to type in the code for that given lesson. There will be a PowerPoint to go through and some worksheets. Often the worksheets are different levels, so you do not need to complete all of these, please choose the level you would like to work at. 1 star is easiest, 2 stars average and 3 stars is harder. If there are any problems with accessing these, please contact Mrs Jones.

Monday	<p>English Spend longer on spelling and handwriting today.</p> <p><u>LO: identify the Organisational and language features of a text.</u></p> <p>What do instructions look like? Have a look at some instructions at home such as recipes.</p> <p>Think about how you would write a recipe for a good friend. Start to write down some ideas about how somebody can be a good friend.</p>	<p>Maths <u>LO - Numberline to 1000</u></p> <p>You will need the maths worksheet for this lesson and there is an answer sheet ready for when you have finished.</p> <p>Follow this link for the video and have your pencil, paper and worksheet ready.</p> <p>If you are not able to watch the video, there is a PowerPoint of this (with answers) instead.</p> <p>Select the 3rd video on this page – 'Numberline to 1000'.</p> <p>Autumn Week 1 - Number: Place Value White Rose Maths</p>	<p>Spelling Unit 12</p> <p>Speed spell – choose 6 words from the previous unit and read these out for children to spell. Mark together. If any are mis-spelt, write the correct spellings in small log books – unit 12 section.</p> <p>Complete the Spelling zone activity</p>	<p>Handwriting Joining up handwriting practise 1st letter</p> <p>join am an as ap in is iv un ur</p>	<p>Reading</p> <p>Reading and quizzing on independent reading books using AR scheme.</p> <p>In school - guided reading.</p>	<p>Afternoon Lessons History – Incredible Egyptians</p> <p>Use the cards on the given worksheet and follow the instructions to sort these into 2 groups.</p> <p>PE In School we will be covering Tennis</p> <p>At home try to do some physical activity. If you are able to, you can use YouTube and complete an online workout such as: Joe Wicks workouts just dance videos cosmic kids yoga.</p> <p>Or if you are able to get outside you could do some physical activity such as playing with a ball or skipping.</p>
Tuesday	<p>English <u>LO: to discuss and record ideas.</u></p> <p>Tomorrow, we will be writing instructions for how to be a good friend.</p>	<p>Maths <u>LO Round to the nearest 10</u></p> <p>You will need the maths worksheet for this lesson and there is an answer sheet ready for when you have finished.</p>	<p>Spelling Unit 12</p> <p>Complete the dots and dashes activity. Use</p>	<p>Handwriting Joining up handwriting practise 1st letter join</p> <p>ap</p>	<p>Reading</p> <p>Reading and quizzing on independent reading</p>	<p>Science Good Vibrations To identify how sounds are made, associating some of them with something vibrating, by identifying and explaining sound sources around the local.</p> <p>Enjoy watching this video clip about sound: Music / Science KS2: What is sound? - BBC Teach</p>

	<p>Today we will plan these instructions out in note form – not full sentences.</p> <p>What 'equipment' / 'ingredients' would you need to be a good friend? Recap from last week.</p> <p>If we plan our writing, it will be easier to write.</p> <p>Task – use the planning frame and plan out your instructions on this. Write your planning on this worksheet.</p> <p>Have a look at the PowerPoints to help you with this.</p>	<p>Follow this link for the video and have your pencil, paper and worksheet ready. If you are not able to watch the video, there is a PowerPoint of this (with answers) instead.</p> <p>Select the 4th video on this page – 'Round to the nearest 10'.</p> <p>Follow this link: Autumn Week 1 - Number: Place Value White Rose Maths</p>	<p>the speed sounds chart at the front of small spelling logs to help with the different sounds.</p> <p>Complete word changers activity.</p>	<p>in is</p>	<p>books using AR scheme.</p> <p>In school - guided reading.</p>	<p>Watch the attached PowerPoint.</p> <p>What is sound – this clip is shown in the PowerPoint. Sounds made from different types of musical instruments - KS2 Science - BBC Bitesize</p> <p>Instead of going on a sound hunt around school, go on a sound hunt either around your house or garden. Listen very carefully for even the quietest sounds. What can you hear? What is making the sound? How is the sound being made?</p> <p>Complete the attached worksheet. You can complete this in a different way such as making a poster about what you hear</p>
Wednesday	<p>English</p> <p><u>LO: use our planning to help us organise our ideas into writing.</u></p> <p>Today we will be writing our instructions to be a good friend. Use your planning sheet to help you with this. Also use the 'toolkit' to help you include all of the features of instructions.</p> <p>When you have finished, check your instructions look like instructions on the page.</p> <p>You will need to use fronted adverbials such as: First, Secondly, Next, Then, After this, Finally...</p> <p>You will also need to use imperative verbs such as: place, put, sprinkle, pour, add etc.</p>	<p>Maths</p> <p>Round to the nearest 100</p> <p>You will need the maths worksheet for this lesson and there is an answer sheet ready for when you have finished.</p> <p>Follow this link for the video and have your pencil, paper and worksheet ready. If you are not able to watch the video, there is a PowerPoint of this (with answers) instead.</p> <p>Select the 5th video on this page – 'Round to the nearest 100'.</p> <p>Follow this link: Autumn Week 1 - Number: Place Value White Rose Maths</p> <p>There are 2 games set on activeleanprimary.co.uk for homework which will practise this skill – 'Nimble Gnome' and 'Hailstone Hullabaloo'.</p>	<p>Spelling</p> <p>RWI - Unit 12</p> <p>Complete 'words to log and learn' activity – need small spelling log book to do this.</p> <p>Complete the dictation activity (dictation sentences needed).</p>	<p>Handwriting</p> <p>Joining up handwriting practise 1st letter join</p> <p>iv un ur</p>	<p>Reading</p> <p>Reading and quizzing on independent reading books using AR scheme.</p> <p>In school - guided reading.</p>	<p>Topic – History</p> <p><u>LO: To find out about ancient Egyptian life by looking at artefacts.</u></p> <p>Watch these video links:</p> <p>ANCIENT EGYPT: The Pharaoh civilisation Educational Videos for Kids - YouTube</p> <p>The Ancient Egypt- 5 things you should know - History for kids - YouTube</p> <p>Introducing Ancient Egypt History - Lost Lands - YouTube</p> <p>Then go through the PowerPoint presentation with somebody at home and talk about this.</p> <p>Look at the photo resource sheet and discuss these. Choose one photo which interests you and use this to complete the worksheet.</p>

Thursday	<p>English <u>LO: To edit and improve our written work.</u></p> <p>Make sure instructions are finished off from yesterday. Self-mark these against the toolkit. Look at places in which you can make improvements and make these improvements.</p>	<p>Maths Count on in 1000s</p> <p>You will need the maths worksheet for this lesson and there is an answer sheet ready for when you have finished. Follow this link for the video and have your pencil, paper and worksheet ready. If you are not able to watch the video, there is a PowerPoint of this (with answers) instead.</p> <p>Select the 1st video on this page – 'Count in 1000s'.</p> <p>Follow this link:</p> <p>Autumn Week 2 - Number: Place Value White Rose Maths</p>	<p>Spelling Play the 4 in a row game.</p> <p>Complete 'choose the right word' activity</p>	<p>Handwriting Practise 5 of the orange words (or red words if you do these instead) which children have been given for homework.</p>	<p>Reading Reading and quizzing on independent reading books using AR scheme.</p> <p>In school - guided reading.</p>	<p>Science – <u>LO: To Explain How Sounds Travel</u></p> <p>You can watch this video clip about how drums make sounds: Music / Science KS2: How drums make sound - BBC Teach</p> <p>Watch the PowerPoint which tells you about sound being vibrations that travel to our ears. The louder the sound, the bigger the vibrations. There is a little experiment you can do with this if you place rice on a drum skin. Observe what happens. I am not expecting you to be able to try this at home – do not worry.</p> <p>There is a link to watch in the PowerPoint and this is it: Understanding sound - KS2 Science - BBC Bitesize</p> <p>How do we hear sounds? Look at the structure of the ear. For your task create a colourful poster explaining how sound travels to our ears and how we hear this. Make sure you remember to include a diagram of the ear.</p>
Friday	<p>English – free writing <u>LO: to write an extended piece of writing for enjoyment.</u></p> <p>Look at the picture 'StrangeTown' and discuss this with somebody else. Adverbs are words which tell us HOW, WHERE OR WHEN. Identify the adverbs in the sentence: "Hundreds of tiny, yellow lights shone brightly in the distance, while people scurried merrily about the town." Free writing - write a story using one of the story openers on the 'Strangetown' resources.</p>	<p>Maths</p> <p>To learn the multiplication and division facts for the 2s, 5s & 10 times tables.</p> <p>Look at your homework book and times tables information sheet to see other ways in which you can practise these.</p> <p>Log onto activelearnprimary.co.uk Username: Name and initial fsmith Password yr2017 School Code bccj</p>	<p>Spelling</p> <p>Complete the 'team teach' activity. Write the words from the unit on small, individual pieces of paper. Order these into what you think are the easiest to hardest to spell. Now take it in turns to spell the words (you will need a partner).</p>	<p>Handwriting Practise 5 of the orange words (or red words if you do these instead) which children have been given for homework.</p>	<p>Reading Reading and quizzing on independent reading books using AR scheme.</p> <p>In school - guided reading.</p>	<p>PE – please see Monday's suggestions.</p> <p>Make sure all learning from this week has been finished off.</p>
