This week's value: ***Truthfulness***

Dear parents and carers,

As the term draws to a close and we head into Easter, I would like to start by thanking parents and carers for your ongoing support, all the staff and governing body at Bishop Cornish for their hard work and dedication, and of course our amazing children, who make school such a special place to be.

This week has been very busy starting with the school leading singing worship for the Diocese of Truro Easter Service. It was an absolute joy to see both our school and children from across the Diocese come together to celebrate Easter.

On Wednesday Helen and members of the PTA held an after school Easter event. A huge thank you to Helen and the team. They raised a fabulous £250. Our competition was a great success, thank you to Ruben for putting the idea forward. There were some amazing entries. In the Easter Garden competition prizes were awarded to Isabel and Emily S (Reception and Y2), Molly (Y1), Isaac (Y2), Jacob B (Y3), Kyla (Y4), Jasmine (Y5), and Grace (Y6). In the decorate an egg competition, prizes went to, Beau in Receptions class, Alfie in Year 1, Madeleine in Year 2, Ted in Year 3, Harriet in Year 4, Katy in Year 5 and Charlotte in Year 6. Due to such a high standard the entries were very hard to judge.

On Wednesday we held our Easter Service at St Stephens. The children in Year 5 led the service beautifully as they introduced each class sharing part of the Easter story. It was wonderful to see the church packed to the rafters.

I would like to finish the newsletter with a prayer and wish you all a happy Easter.

Lord, we thank You for the promise that Easter brings. This day is a beautiful reminder of the victory of Christ, and because of that, we can have hope amid life's chaos. Thank You for sending Your Son, Jesus, to be our light in the dark.

Amen.

Lewis G in Year 5 has been a superstar and worked hard during maths lessons, calculating fractions of an amount and calculating the whole. You are a fantastic mathematician, Lewis.

The Head's Award this week has to go to both Football Teams who represented Bishop Cornish at the County Finals in Bristol. They have worked so well as a team to get through to the finals, showcasing team building skills and resilience all year. I think this Award also needs to go to Mr Brown in recognition of all his work and coaching to get through to the finals. Well done to all of you 😊

This week in school we have...

This week Year 6 have been revisiting percentages, decimals and fractions and researching the Islamic religion. From their research they are choosing how to present their findings through annotated drawings, postcards, fact files etc. It was lovely to see the entries for the Easter Gardens in support of the PTA fundraising event. They did really well and were so creative in their entries.

This week Year 2 have gone Easter crazy!!! They have enjoyed performing in the Easter service as well as making various Easter crafts. They have really been thinking about how the Easter story shows us going from darkness into light and how this can affect us as Christians. They have also been amazing secret agents, gaining another three clue letters..... The children have enjoyed learning about Mary Seacole and how she compares to Florence Nightingale. They are definitely ready for a good Easter break!

This week Reception class have been busy learning all about Easter, they have shown great listening skills and were really good at re-telling parts of the story. They have also been busy making cards, Easter nests and Easter colouring.

This week Year 3 have been thinking about Easter and what it means to be Christians. We have created some beautiful art pieces and in PSHE we have met our challenges we set with great enthusiasm. Also, what superstars we were at the Easter service even with all the nerves!

This week Year 1 have been learning about the symbolism of eggs and new life and re-enacted the washing of the feet in our Easter service at the church. They have also been doing some outdoor cricket and football in PE with Mr Brown, prepared some delicious Easter crispie cakes and learned about the different trees and plants in our school.

Year 4 have really enjoyed our 'Spanish Day' this week in school. Cooking skills have been perfected as the children have made either fish or vegetarian paella dishes...these have certainly gone down well. We have also enjoyed writing about a hiking trip in the Pyrenees, using our ICT and English skills. The children then learnt about the vocabulary of ingredients in Spanish and finally finished the day with some Spanish themed PE.

Year 5 had the responsibility this week of leading the Easter Service and I was extremely proud of how well they learnt their lines, the hymns and the prayer. In Maths, Year 5 have finished their topic on fractions. In RE, we investigated 'What did Jesus do to save human beings?' In Music they have been comparing The Fresh Prince of Bel Air to Rapper's Delight by The Sugarhill Gang. Finally in history, the children finished their fact file about World War 2, please see our class photo for a couple of examples.
