Allies and Axis Powers

At the start of World War II, the Allies were the United Kingdom, France and Poland. These nations had made a pact to stand together against Hitler and the Axis Powers. The Allies were soon joined by the British Commonwealth (South Africa, Canada, Australia and New Zealand) and then the Soviet Union, the United States of America and China.

Other Allies included British India, the Netherlands and Yugoslavia. In 1942, the Allies were officially named as the United Nations.

The Axis Powers were Germany, Japan and Italy, who made a pact to stand together in opposition to the Allies.

Colour in your **World War II Colouring Map Activity Sheet** to show the Allies, Axis Powers, and the Axis-controlled and neutral countries.
