

Hello my amazing pirates,

Hope you enjoyed singing and rhyming yesterday. I can't wait to see some of your dancing and moving.

As a break from reading books today, could you tell a grown up your favourite story instead. Have another go at that phonics activity again as well. You could try some other words that you didn't do yesterday.

Could you sing the rhyming song again or watch your performance if you videoed it? Can you work out what some of the rhyming words are?

[http://www.literactive.com/Download/live.asp?swf=story\\_files/washing\\_line\\_rhyme\\_US.swf](http://www.literactive.com/Download/live.asp?swf=story_files/washing_line_rhyme_US.swf) here is a game you can play - don't worry if you don't have flash and it doesn't work it is just an extra little activity.

Can you think of some other words today that rhyme with one,two,three, four and five? write them down and keep them safe as you will need them tomorrow.

Just to warm up your maths brains, can you count to 50 in 5's really quickly?

More capacity today. Can you find a yoghurt pot or a small cup that can be your measure. Now use this to find out how many cups/yoghurt pots things in your house hold. You may want to estimate how many before you have a go.

Mrs.Berry has sent you some fun PSHE activities to try this afternoon

**PSHE - Health and Well-being - Keep Dancing! ☺**

Choose two pieces of music - one fast and one slow. Play them in turn, moving in time to the music. Practise some moves that you repeat throughout or make up your own dance for each one.

Notice how you are moving to each piece of music - maybe ask an adult to make a video of you doing each one so that you can compare? Which one do you like the best? Why? Keep Dancing! ☺

Enjoy the dancing!

Love Mrs.Oakes
