

Monday 1st March

Good morning!

Hope you had a great week last week. I am so so excited about seeing your lovely faces next Monday when we all come back to school. I can't wait and know we are going to have so much fun!!!

READING TIME

Enjoy your book today. Next week I will listen to you all read and I'm so excited!!

PHONICS TIME

This week we will be focusing on the sound ie for the first two days. Can you watch my video of me teaching you the sound today?

LITERACY

We are going to continue with the story of Jack and the beanstalk today. To warm your brains up this week, can you act out the story so you know the order of events? Maybe you could use your teddies as the characters. We are going to be writing the story later on this week so can you make sure you are really sure on the story.

MATHS

This week we are going to start by counting to 100 in 1's. How speedily can you do it?

Next have a go at this bitesize lesson which is all about odd and even numbers. [Odd and even - Year 1 - P2 - Maths - Catch Up Lessons - Home Learning with BBC Bitesize - BBC Bitesize](#)

In the afternoon we will be doing some science. This week we are going outside all around the school grounds with a flower and a leaf spotter sheet. How many can you find in your garden or local area? Enjoy being out and about in the fresh air!

Have a great day!

Love Mrs.Oakes
