

'And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in them.'

**Next week the children will be:**

**Reception will be** having a treat of eggy bread in the woods!

**Year 1 will be** doing egg-citing Easter activities!

**Year 2 will be** preparing for Easter by delving into the Easter story and enjoying some Easter crafts.

**Year 3 will become** scientists and investigate the effects of friction.

**Year 4 will be** discussing what is good about Good Friday.

**Year 5 will be** creating beautiful North American inspired bowls and bracelets using weaving.

**Year 6 will be** doing all things 'Eastery,' celebrating the risen Christ - Alleluia!

**IMPORTANT HOLIDAY DATES**

**Easter holidays – 2<sup>nd</sup> – 16<sup>th</sup> April inclusive**

**Monday 19<sup>th</sup> April – new term**

**INSET – 28<sup>th</sup> May**

**Half term – 31<sup>st</sup> May – 4<sup>th</sup> June inclusive**

**Wednesday 21<sup>st</sup> July – children BREAK UP for the summer**

**22<sup>ND</sup> AND 23<sup>RD</sup> JULY INSET**

**COMIC RELIEF**

**COMIC  
RELIEF**

An update on the amount we raised with the Pre-school now stands at £266.87 which is amazing!! Thank you so much everyone. The children had a wonderful non-uniform day. So far this academic year the children have raised an incredible £691.12 for different charities as well as provide food for the Saltash Foodbank.

Year 4 have learnt about teeth and created some incredibly realistic models – well done Year 4! They have also been learning about the mathematical 'grid method' in the woods. This type of practical, outside learning really helps children learn. They have been using the yurt platform as a classroom before the yurt returns in the next few weeks!

Sadly, we have recently received complaints from some neighbours of the school regarding parking in Lynher Drive. Please can we ask parents/carers who are driving to school, to park with consideration and respect. Cars should not be parked across residents' drives and should not be blocking access in any way. This would be particularly dangerous in the event of an emergency vehicle needing to access the area. We do encourage parents to park away from the school site and walk the final stretch in order to reduce the congestion. Please help us and reduce the risks to the children and disruption to residents. Thank you.

Year 1 made some delicious fruit kebabs using their favourite fruits. They also created some colourful mathematical patterns.

This week the whole school have been thinking about the different events during Holy Week, starting with Palm Sunday to Easter Sunday. Each class will contribute to a class film which will be available to view next week. Year 6 have been thinking about the crucifixion on the hill.

The children have now been back in school for three weeks and we know that some of them are finding things difficult at the moment. Others have found the transition easy – they are all experiencing different emotions. It is important that they are given time to get back into routines and also to get used to being with their friends and classmates. We have been so proud of the way they have adapted and they are all working very hard in school. If you have any questions, concerns or compliments please do get in touch but we do ask that you speak to us directly rather than using social media. This is incredibly upsetting for staff. Thank you.

### Spot the cat!

A big thank you from Year 6 who love using the new Chromebooks and are finding amazing ways of editing their work and receiving live feedback from Mr Hill!
