

## YEAR 1 HOME LEARNING WEEK BEGINNING 7<sup>th</sup> February 2022

Focus	Monday	Tuesday	Wednesday	Thursday	Friday
Phonics	We are looking at the sound ire today. Watch this video  <a href="#">Phonics - Ire - fire fire! - YouTube</a>	We are looking at the sound ear today. Watch this video  <a href="#">Phonics Ear - Hear with your ear - YouTube</a>	We are looking at the sound ure today. Watch this video  <a href="#">Phonics Ure - Sure its pure - YouTube</a>	<a href="#">PhonicsPlay - Phase 3 Resources</a> choose one of the phase 3 games	Can you recap the three sounds we have covered this week? Make sure you can read and write the sounds.
	Don't forget to do your reading!				
Literacy	Today we are focussing on putting the prefix un before a word. Can you go through the powerpoint and then complete the activity.	This week we are thinking about instructions. Can you make a jam sandwich and say the instructions out loud. Write down the command words you used.	Today can you write the instructions for making a jam sandwich. Use the command words from yesterday. Each sentence should start with a command word i.e. 1. put the bread on the plate	We will be following instructions today to make biscuits. If you have the ingredients at home could you do some cooking or could you find some instructions to play a game? It's up to you	Today we will be practising our letter formation. Can you write all the letters of the alphabet and get an adult to check you have gone the right way. <a href="#">Letter and Number Formation (doorwayonline.org.uk)</a>
Maths	Today we are looking at number bonds for numbers to 20. Can you get a piece of paper and choose a number between 10-20. Can you write all of the sums that make that number. You can use drawings, part whole models etc.	Please watch this video <a href="#">Spring1.2.5 - Find and make number bonds on Vimeo</a>  Now complete the sheet for today	We are focussing on number bonds to 10 and 20 today. Can you write down all the pairs of numbers that make 10? If you can then have a go at this game <a href="#">Number Bonds 20   Math Playground</a>  Choose number 20 as your target number	Please watch this video <a href="#">Spr1.3.2 - Add by making 10 on Vimeo</a> Now complete the sheet for today	Today have a go at your doodle maths and make sure you have caught up with this. You could also do some number formation practise all the way to 20.
Lunchtime					
Other areas	History - we have been thinking about space	Science/DT - Today we will be using what we	Music - We will be doing some work on	PE - This afternoon we will be having a go at some	This afternoon we will be outside experiencing and

## YEAR 1 HOME LEARNING WEEK BEGINNING 7<sup>th</sup> February 2022

	explorers. Can you read the powerpoint about Neil Armstrong and fill in the fact sheet about him. Maybe you could even look on the internet for more information and videos about him.	know about materials to design a spacecraft to get Beegu home. Can you draw one and bring it back to school when you are better.	rhythm so watch this lesson. <a href="#">Rhythm vs. pulse (thenational.academy)</a>	throwing games. Can you make a circle target - maybe with some old clothes and see if you can throw your teddies in it. Can you move it further away?	enjoying God's wonderful world. We will be talking about our favourite parts of the world and how amazing God is. Can you go out in your garden and enjoy the outdoors. Maybe you could draw your favourite part of our wonderful world.
