

Hi everybody,

READING TIME

Start with some reading today to warm up your brain.

PHONICS TIME

You may want to watch the video again. Can you write the green words? Don't forget to sound them out as you write them.

LITERACY

Can you go and have a look at your garden. What would Beegu do if he came and landed in your garden? would he run around, play on the swing.....

Draw a picture of your garden and write some words around the picture to say what Beegu would do. Keep this for tomorrow.

MATHS

Today we are going to carry on partitioning numbers. I have attached a sheet for you to complete with some numbers to partition. If you finish this and want more you could make your own up or practise writing your numbers around the right way.

This afternoon we will be doing RE. We will be thinking about all the things Christians do to show God that they love him like helping, loving, praying, singing etc. Can you think of any more? Maybe you could take your teddies and act out some of these scenarios.

Have a super day!

Love Mrs.Oakes
