Dear Year 3 Parents

As mentioned in the welcome letter, the reading scheme slightly changes in KS2.

If your child is still working through the Read Write Inc scheme their main focus will be to read these daily, in order to complete all of the levels. The children on this scheme are currently, or have been transitioned to, change their books independently. However, we keep a log of the book they choose within the classroom. They must have their book in school every day as they will have daily reading and phonics with an adult.

The main reading scheme in the classroom is called Accelerated reader, the children have individually been told their reading colour and will have picked a book. They must read this book at home and in school until completion. Once completed the children will then be able to log on to an Ipad in school and quiz the book to gain points, this is based on the child's comprehension of what they have read. We will have a class incentive scheme for high scoring quizzers.

If you have any queries about this do not hesitate come and see me.

Thank You

Mrs Dinham
